Pauls Valley, Oklahoma

the Journalism Class
Volume 46
1973-1974

A school year has just come to an end, and another one is about to happen. It may be the most challenging year of your life. There are lots of things to look forward to: voting for the first time, staying up late on New Year's Eve, seeing your first X-rated movie, fighting pollution, ending the war, falling in love, graduating and getting to be on your own, and finding out what it's all about.

It's a time for summing up, too, a time to look back on the past year that helped to make you what you are today. This was a good year in many ways, but at times it might have been amusing, maddening, promising, threatening, or saddening. How much of it do you remember? How much do you wish you could forget? Thumb through and find out.

1. **Rickey Tate** kicks the 6-hours-a-day, 5-days-a-week habit.
2. **Steve Boone** and Gary Bradley symbolize peace and brotherhood.
3. **New Year's** morning comes early to Melody Maxwell.
4. **Sally Farquhar** is busy on an accounting assignment.

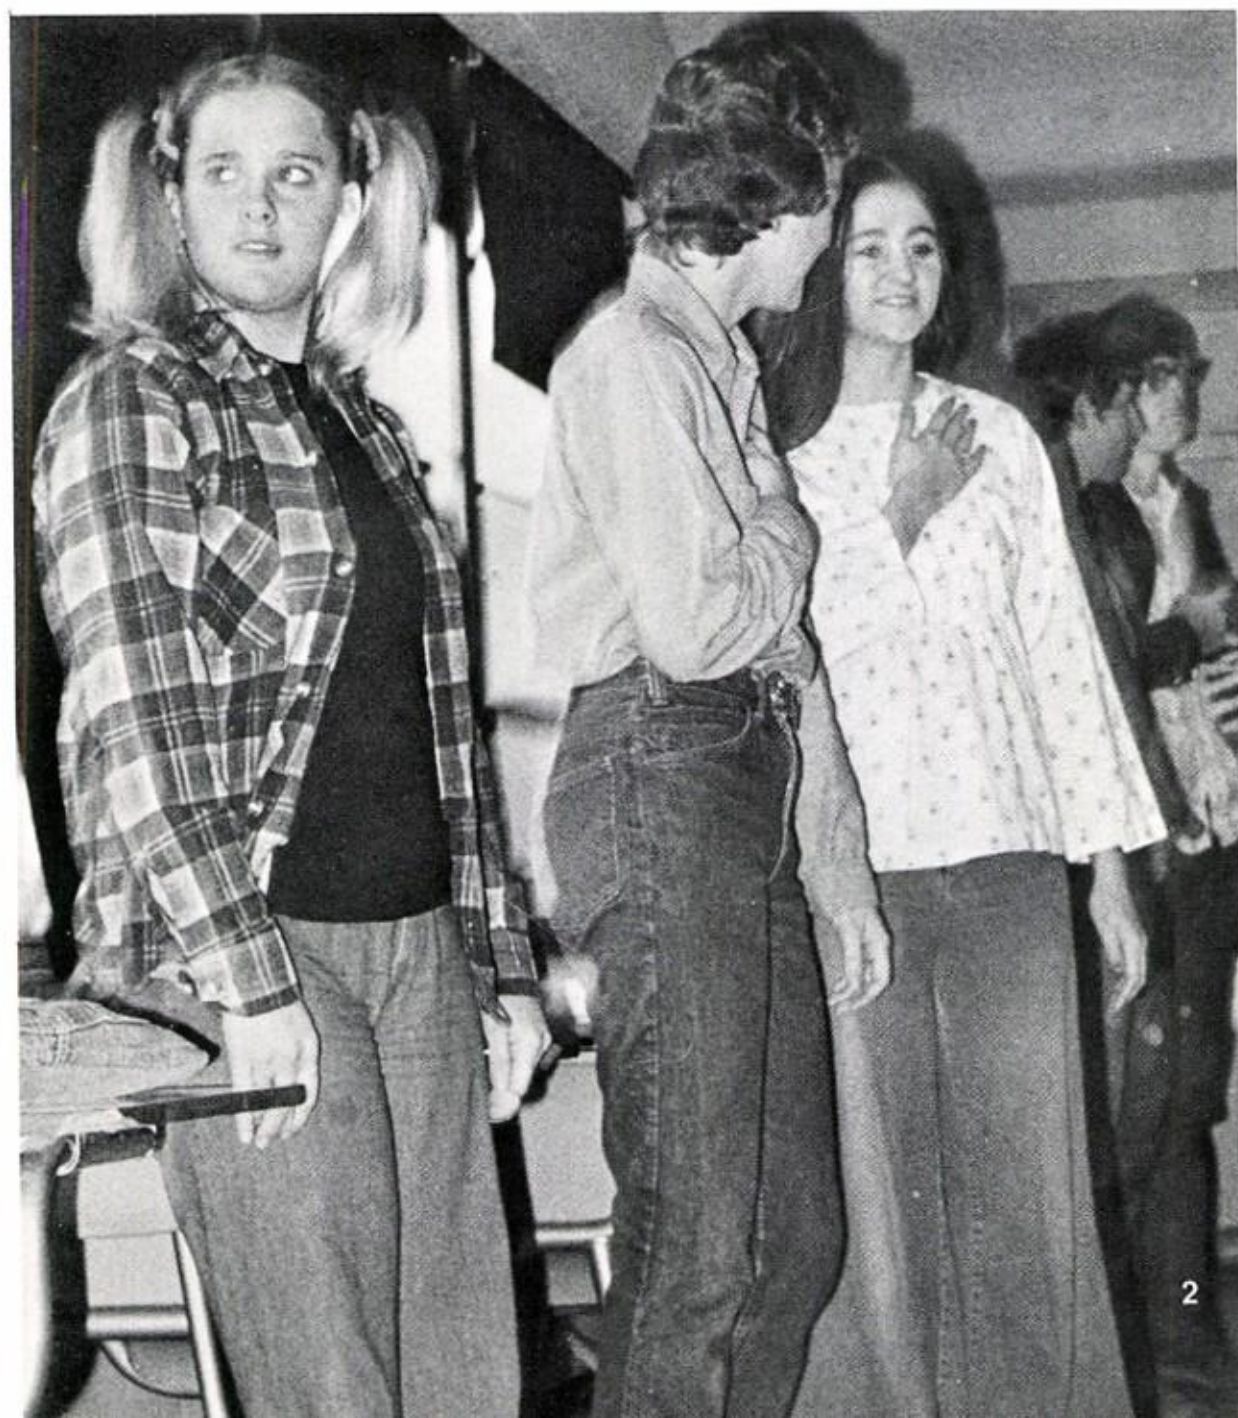

things you couldn't make up your mind about

The North Central Evaluation Committee visits Pauls Valley High for a week and reports that the students are lacking in school spirit.

Gas rationing slows down the number one pastime of many students, riding around.

Spiro Agnew resigns from the office of Vice President, and the Watergate Affair rages on.

An increasing number of students find themselves getting married before graduating from high school. Others are trying to decide whether or not to put out the extra effort to graduate a year early. More and more grads are still undecided about their future plans.

1. **North Central** Evaluation Committee members, of which former P.V. coach-teacher Jimmie Pigg (back center) is a member, are checking the recommendations typed by Typing II students.

2. **Rhonda Haxel**, Wanda Herndon, and Jetta Elliott are easily distracted during the flag salute.

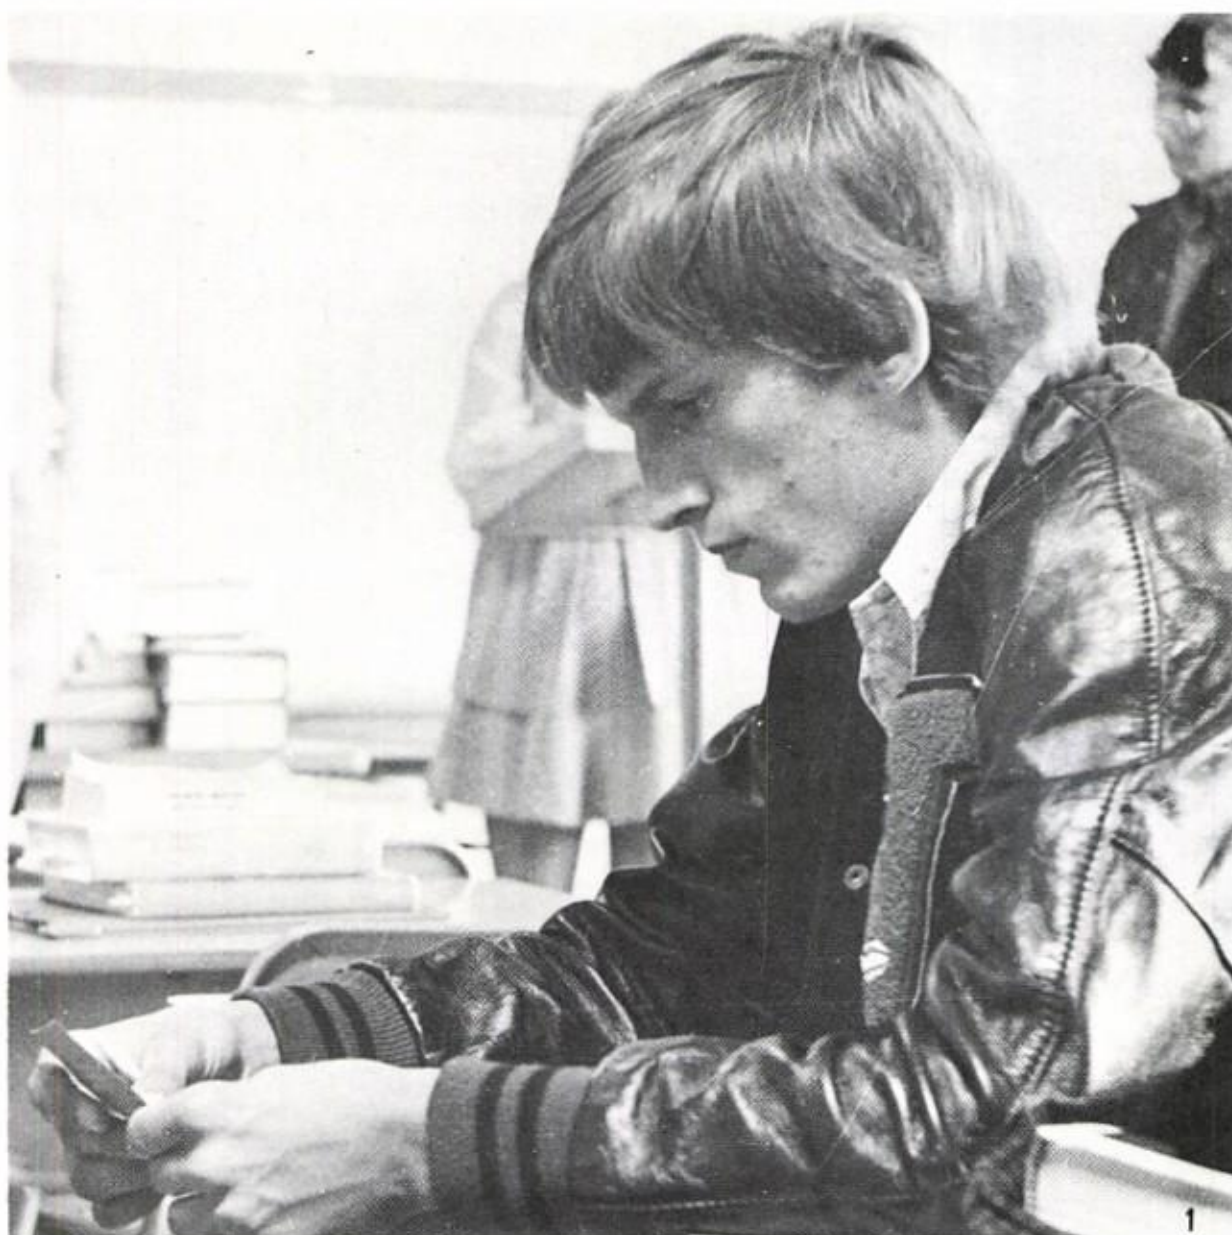

things that turned you on

Embroidered work shirts, jeans, overalls, jeans jackets, flannel shirts, cuffed baggies, bow ties and hippies. . .

Fritz the Cat and Robert Redford, Bob Dylan, Leon Russell, Carly Simon, Chuck Berry and the Rolling Stones. . .and Dick Clark keeps spinning platters on American Bandstand.

1. **Pete Hannah** and Mike Holt enjoy the carefree life of a senior.
2. **Argyle** sox and rolled-up blue jeans set the pace in English III.

things that touched you off

For the first time in the history of P.V.H.S., students are assigned seats in the auditorium, and roll is checked at each assembly.

Someone ruins the negatives of some of the best pictures you've taken all year.

An alarming number of chug-holes slow down the traffic in the parking lot.

1. **Tom Felan** agrees it is a sobering thought to look at report cards.
2. **Filing** negatives is a big job for Renee Willis in photography.
3. **Miss Janie Lawson** checks the senior seating chart at assembly.

things that made you cry

Losing the homecoming game.
So many people having so many
wrecks, so many "busts", and so
many tickets.

Receiving report cards in Janu-
ary to ruin an otherwise perfect-
ly good New Year.

Getting up at 6 a.m. to go on a
field trip.

them removed if the trash cans aren't
used.

3. **Vandalists** raid Doc Hayhurst's
room.

4. **You** laugh so hard you almost cry
when Miss Sue Wallace plays Santa.

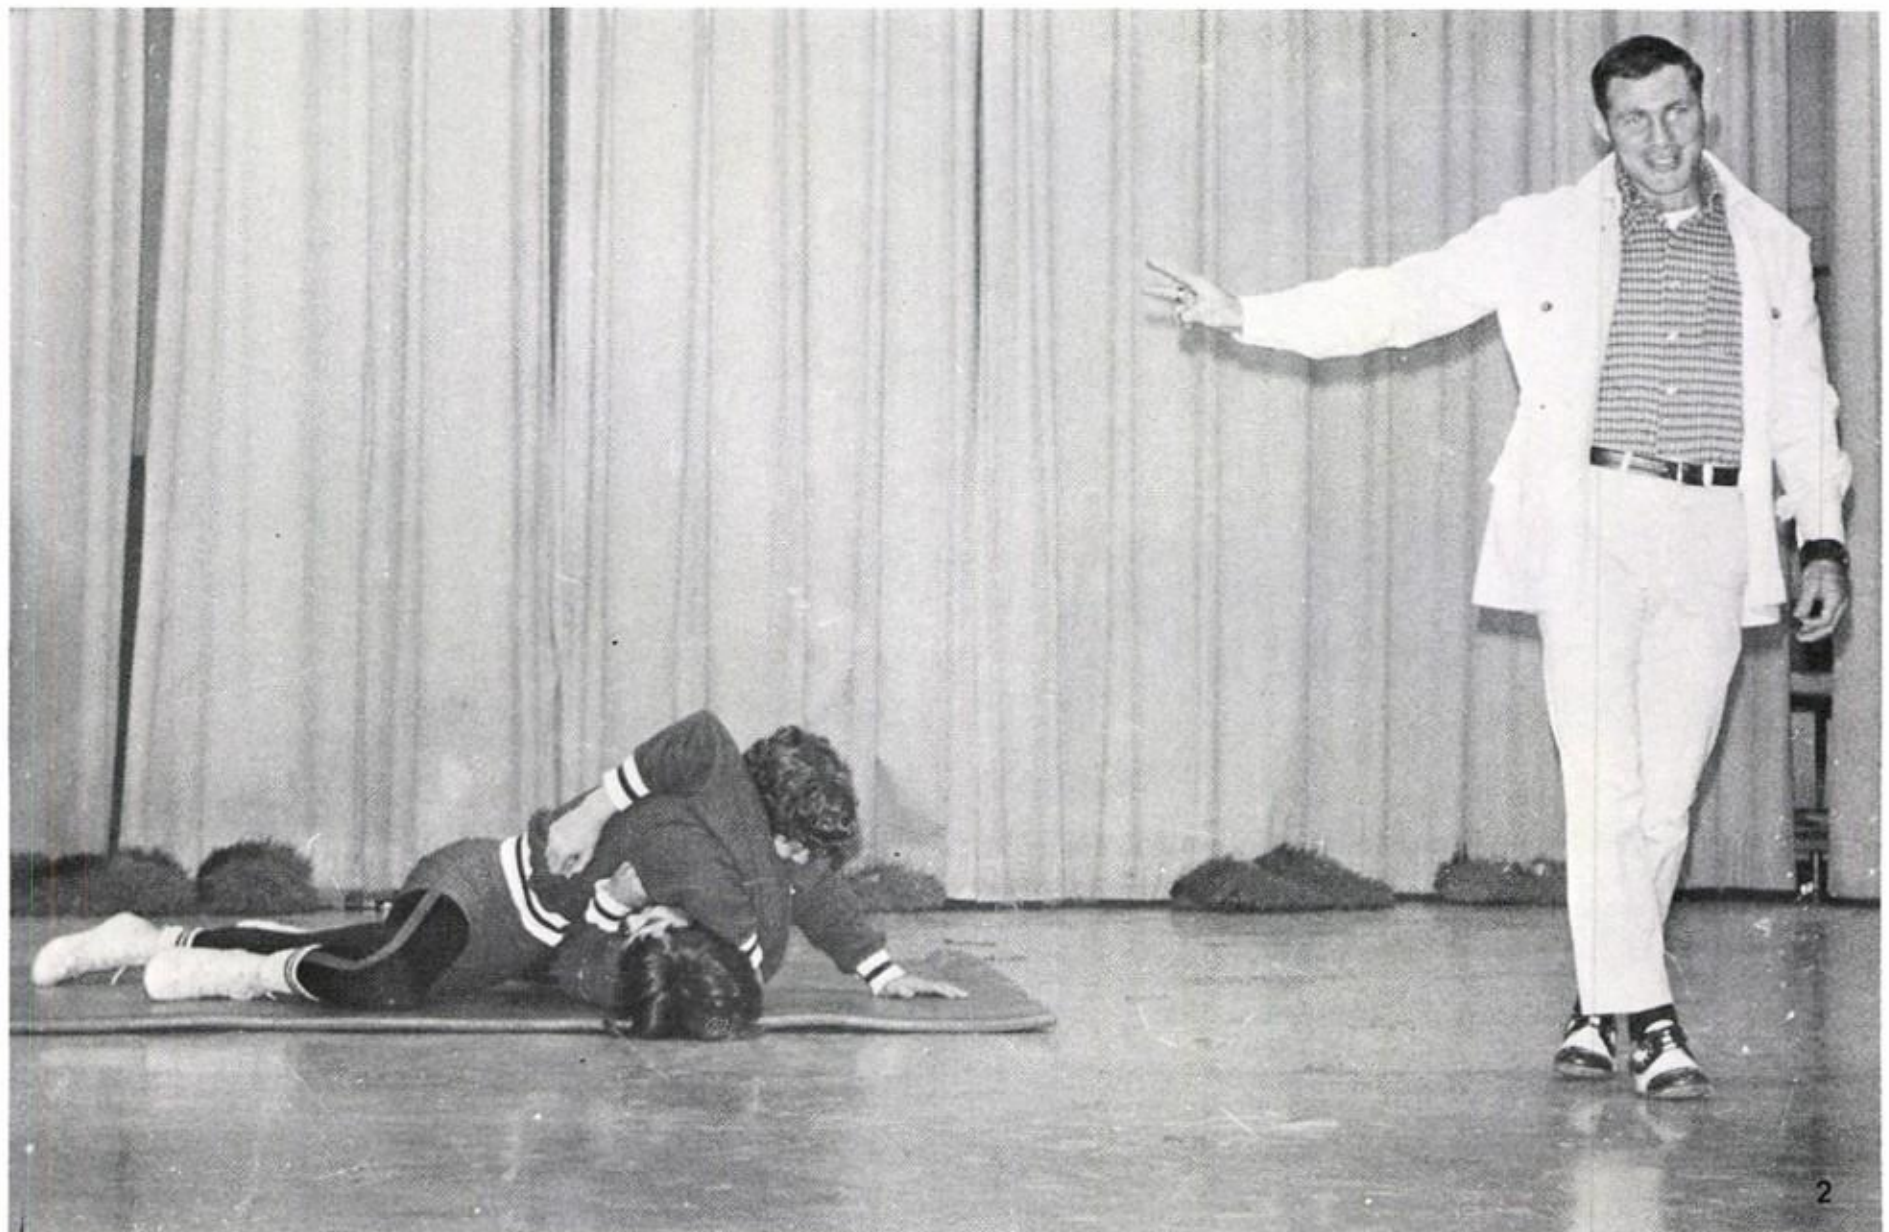

things that made you laugh

First hour chemistry students spend most of their time chasing white mice around the room. Halloween brings on egg wars between students and new teachers. Mr. Krawczyk wears a black tux to school the first day, but then decides he isn't dressed appropriately for the occasion. The girls start going to the barber shops and the boys start going to the beauty shops.

1. **Lonnie Pearson**, Debi Brown, Ken Harris, Betty Barton, Paul Maxwell, and Brenda McKinzie get their heads together to see what they can dream up.
2. **Brad Loman** and Larry Coshaw demonstrate wrestling maneuvers for Coach Johnson.

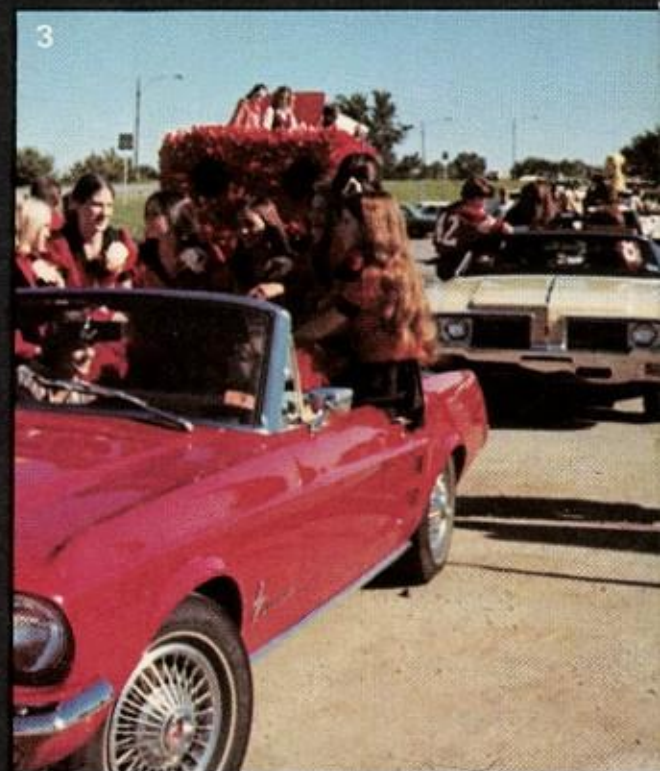

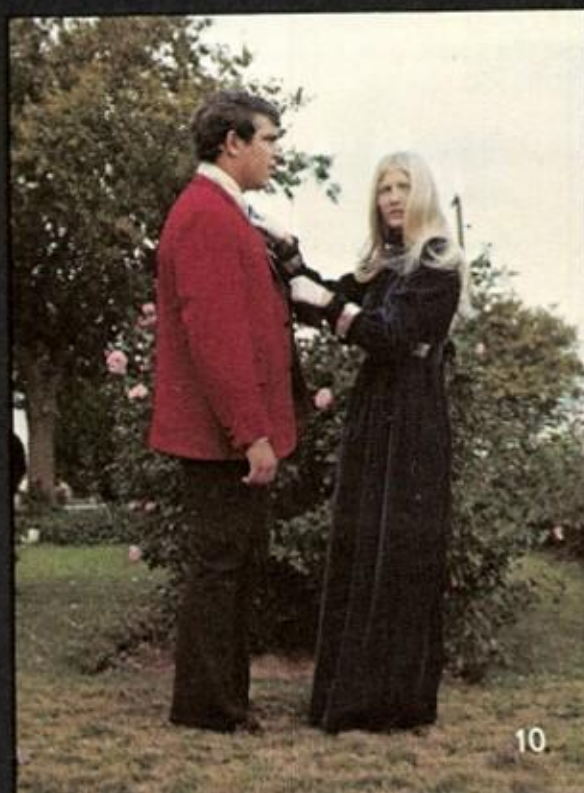

Crews Crowned At Half-time

Pep assemblies, corsages, parades, and floats were all a part of Homecoming.

This year's Homecoming was highlighted by the football game against Comanche and was climaxed by the crowning of the Homecoming Queen, Laurie Crews.

Laurie, a sophomore, was crowned by Danny Winget. The coronation took place on the football field for the first time in many years. This meant that the student body and the community could enter into the ecstasy of Homecoming.

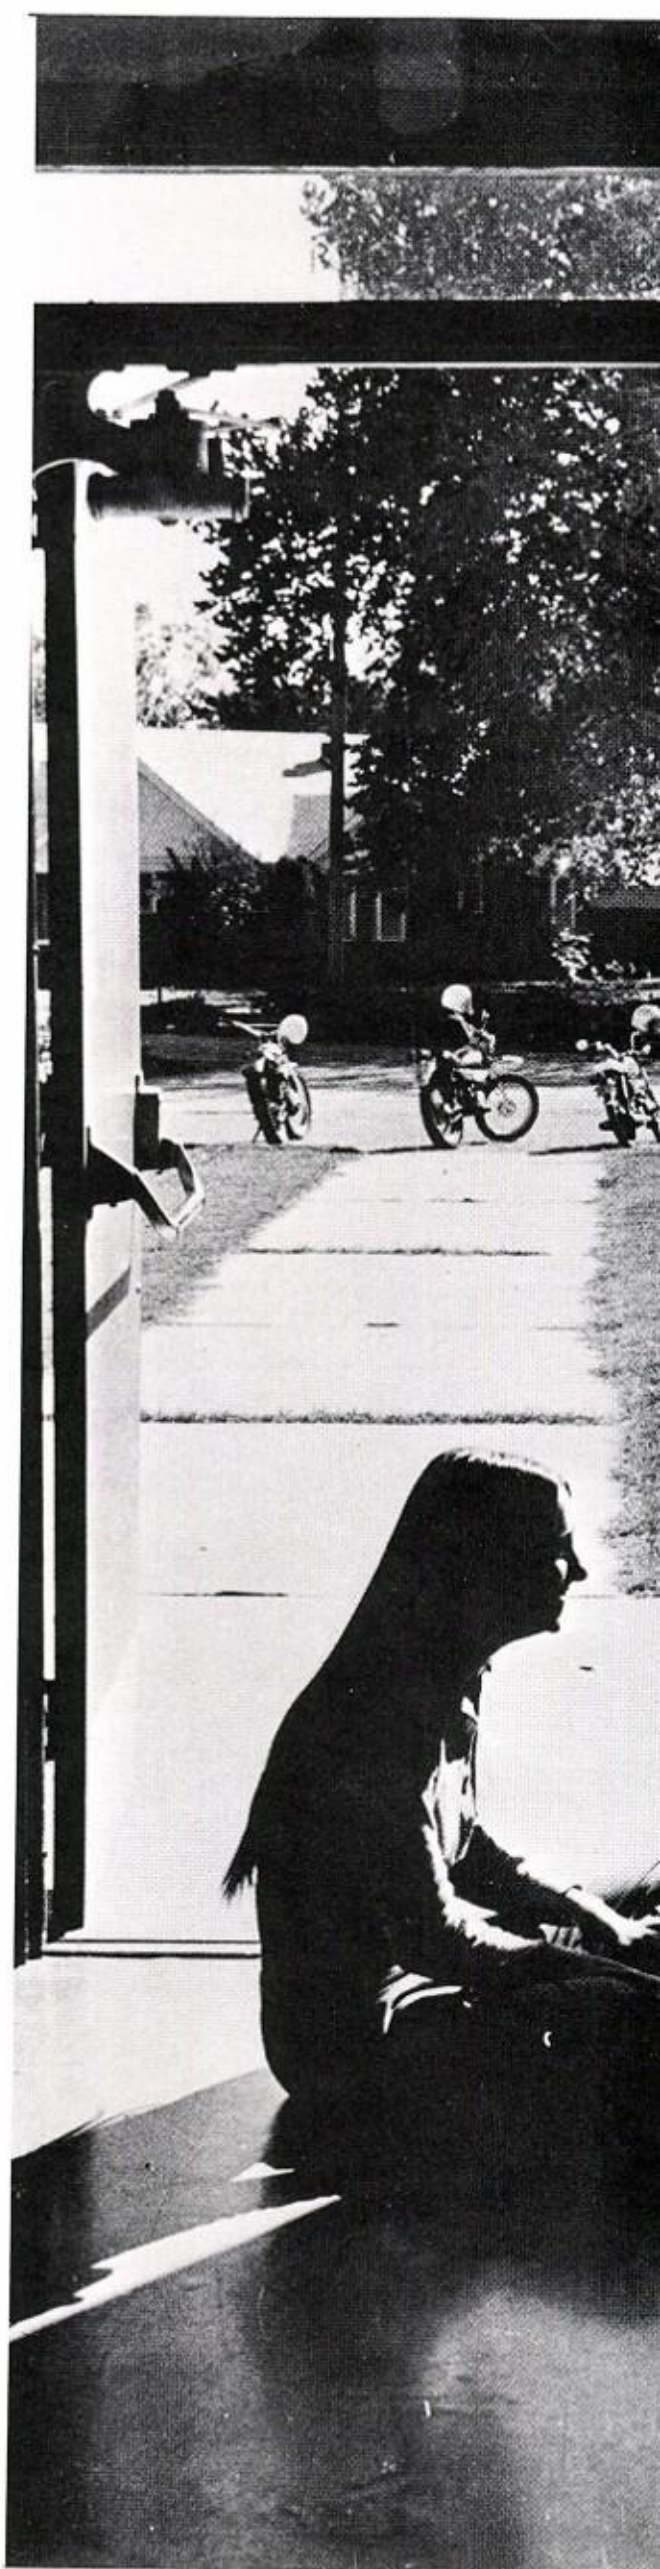

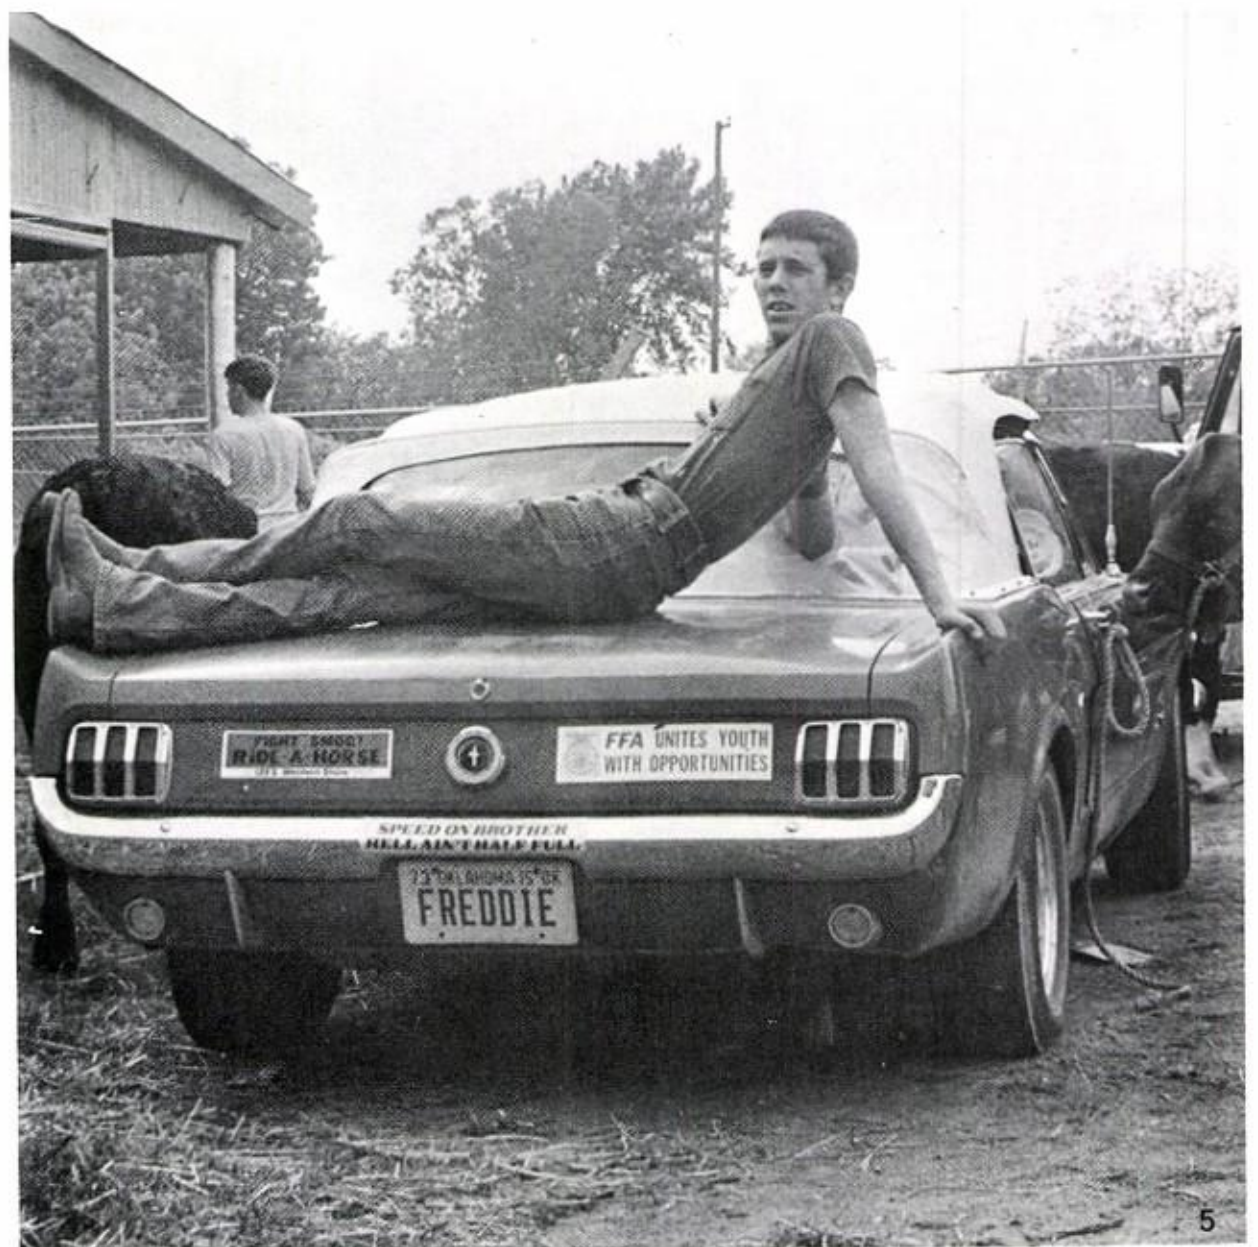

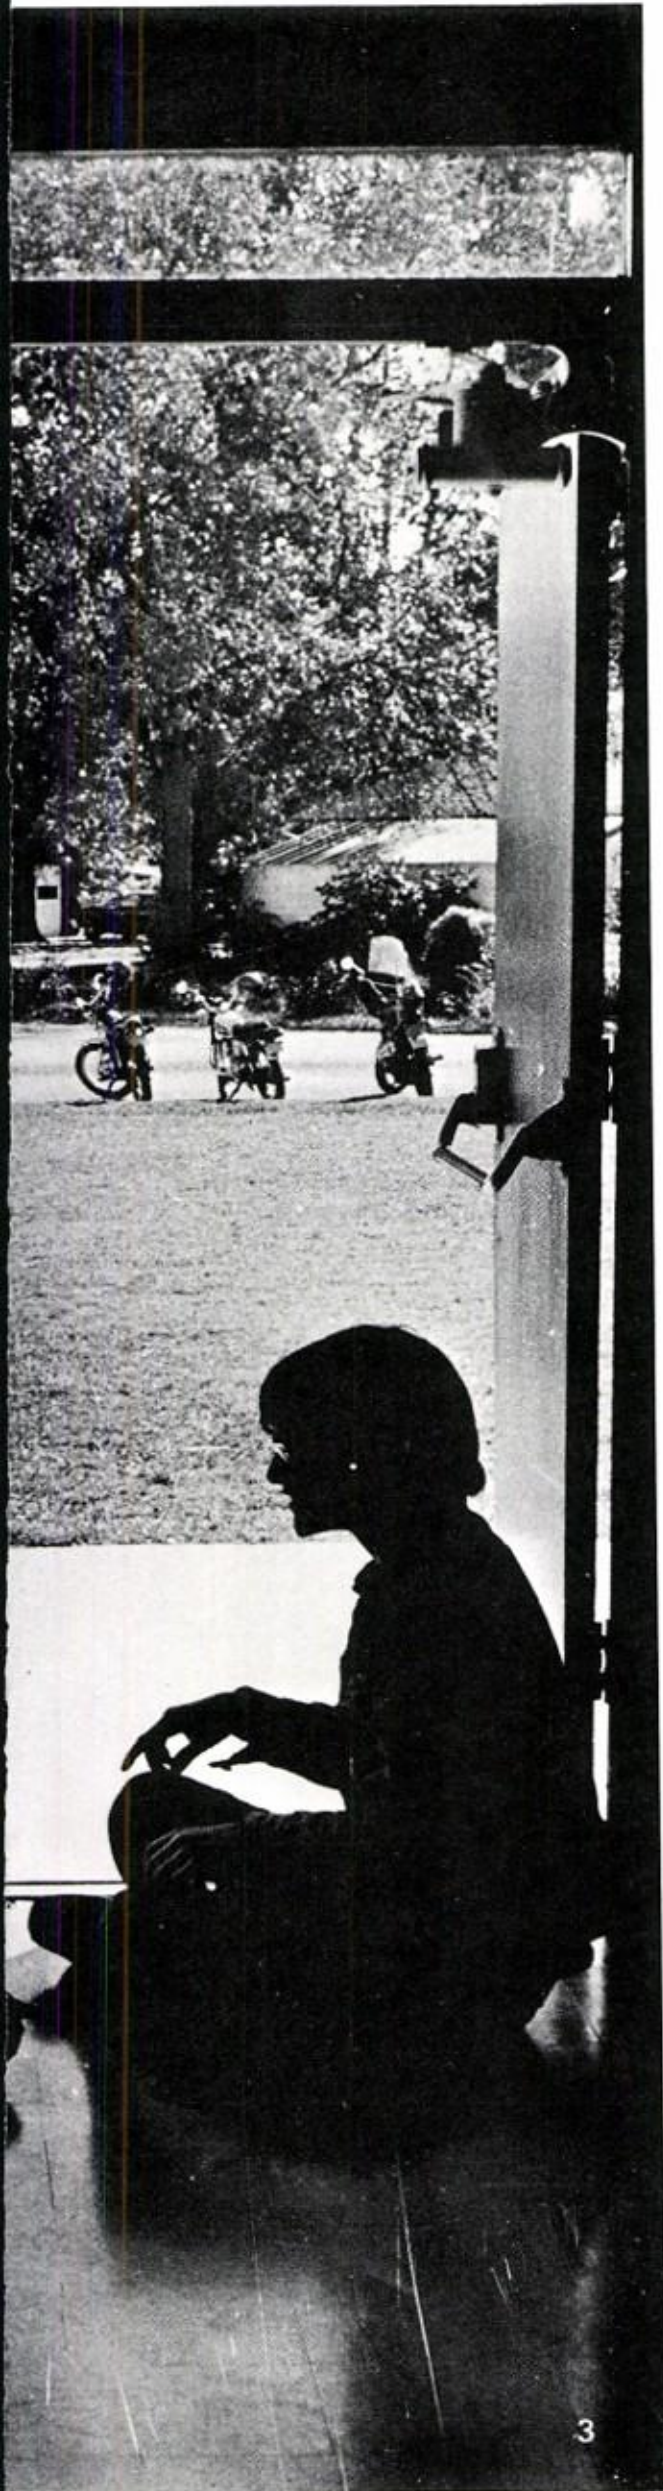

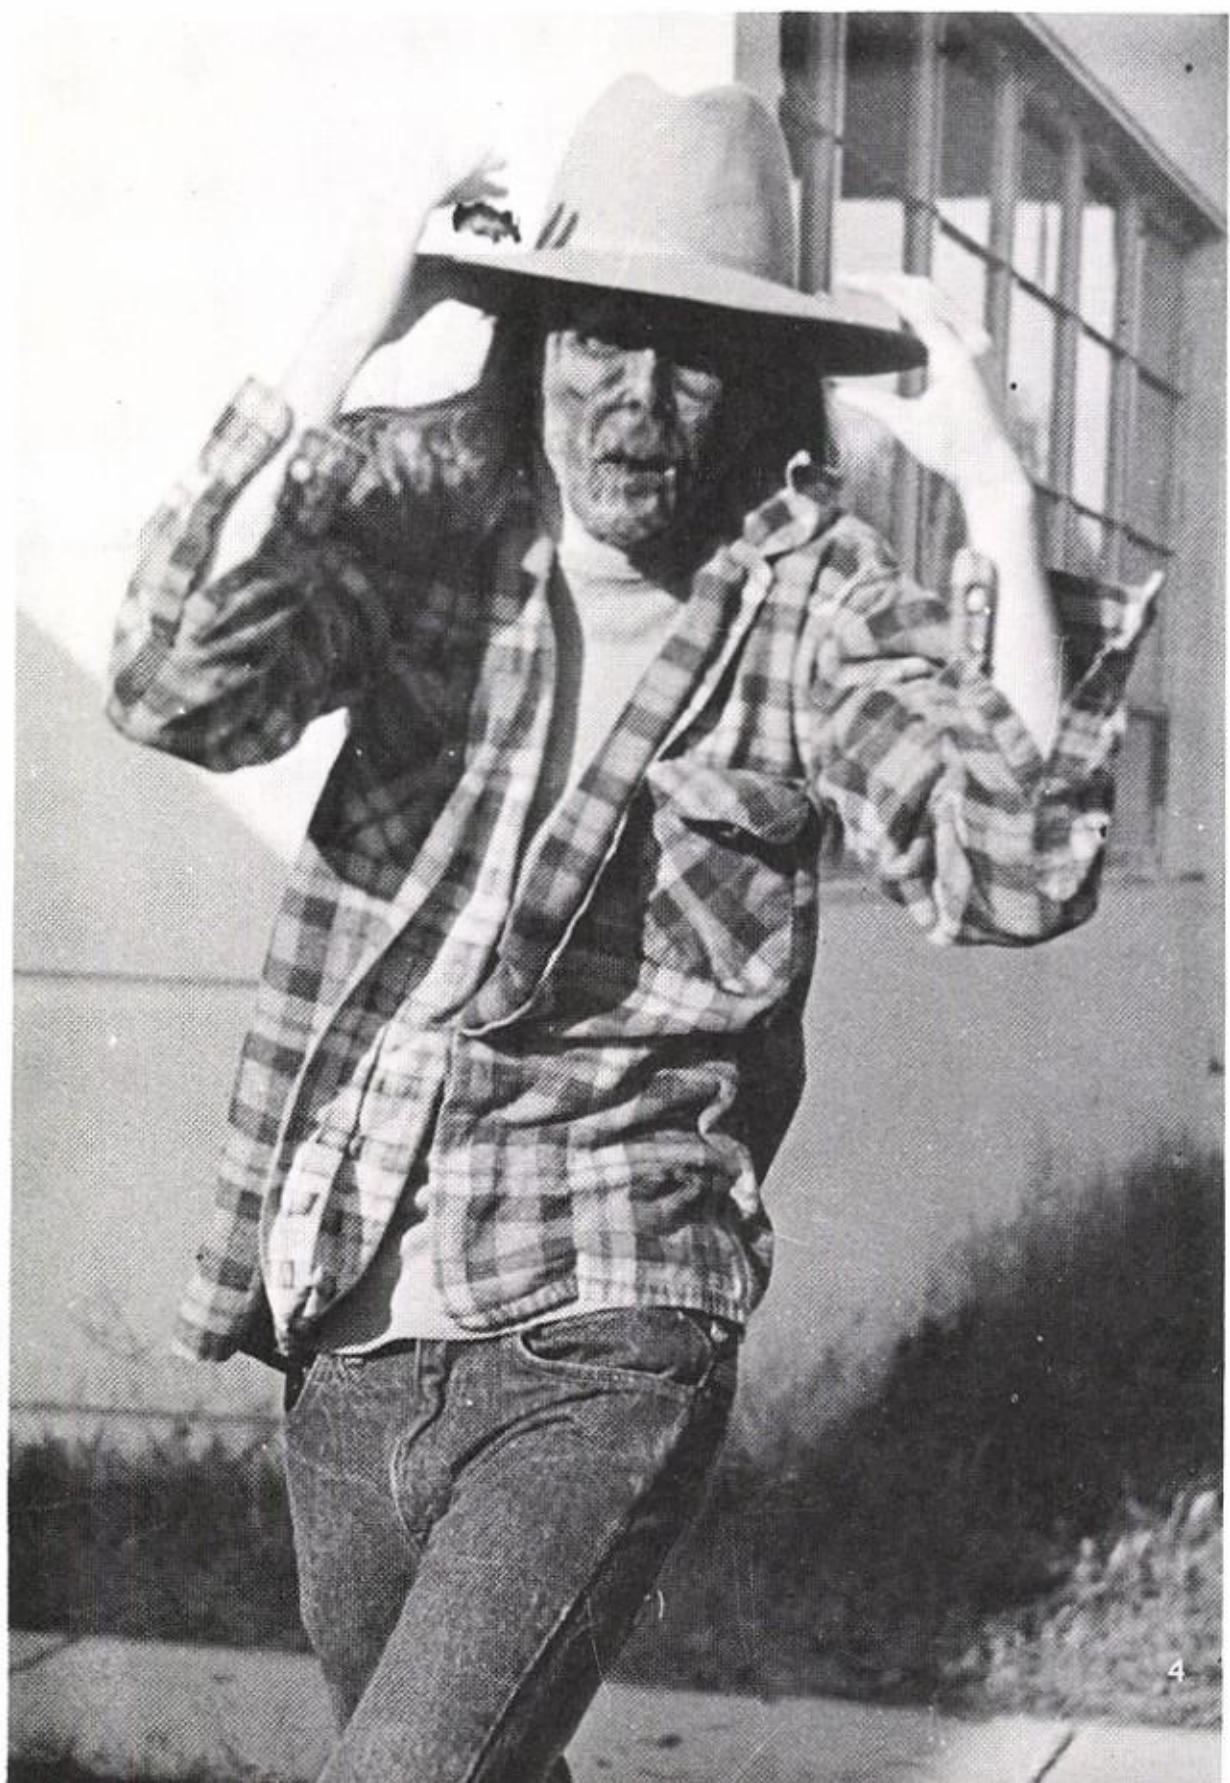

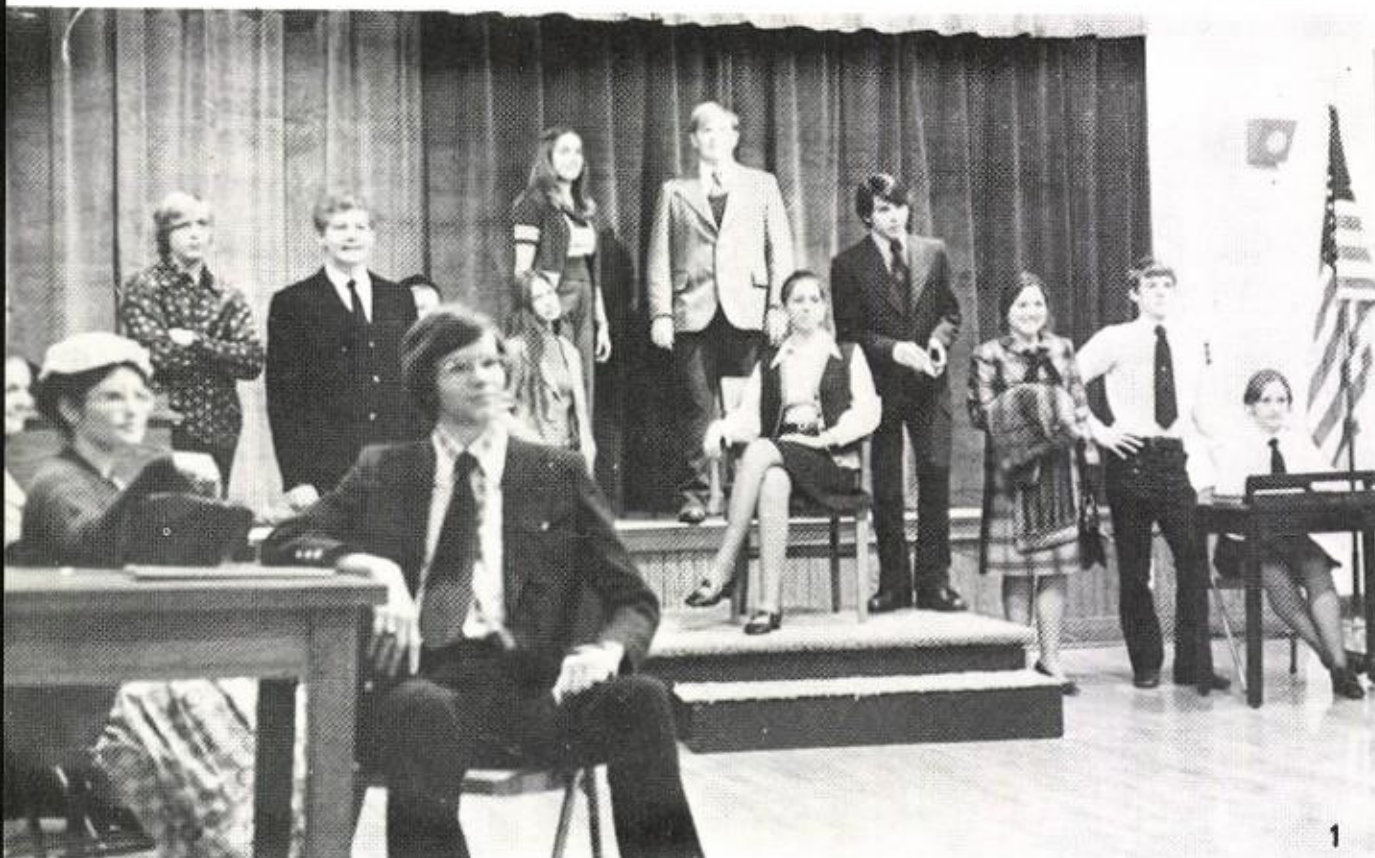

- 1 Laurie Crews** is crowned by Danny Winget during a colorful half-time show.
- 2 The offense** is waiting to go in against Comanche.
- 3 Riding** in the parade was fun for the cheerleaders.
- 4 It's** just before the coronation.
- 5 Just a few** emblems of pep that were tossed down after the ballgame.

Look at me. You can't just walk by and not see if you really care. Slow down and read me. What I am, What I want, and What I believe is written all over my car, my bike, my bright yellow wall. It's even stenciled on my faded blue jeans.

5. **Randy Mauldin** relaxes after a hard day showing livestock at the County Fair.

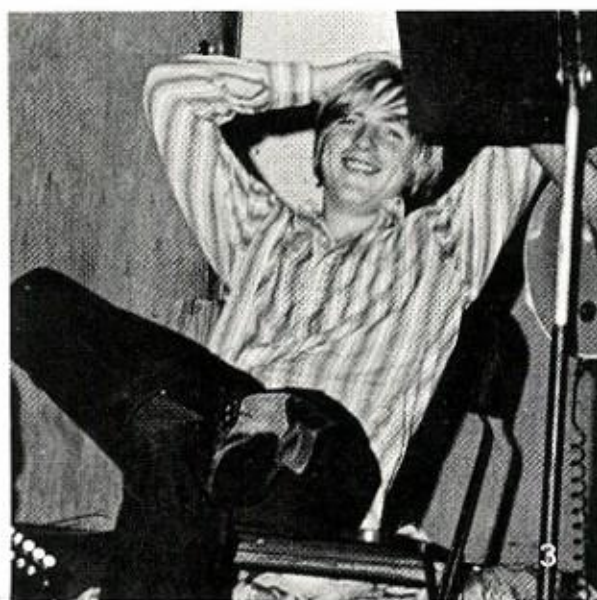

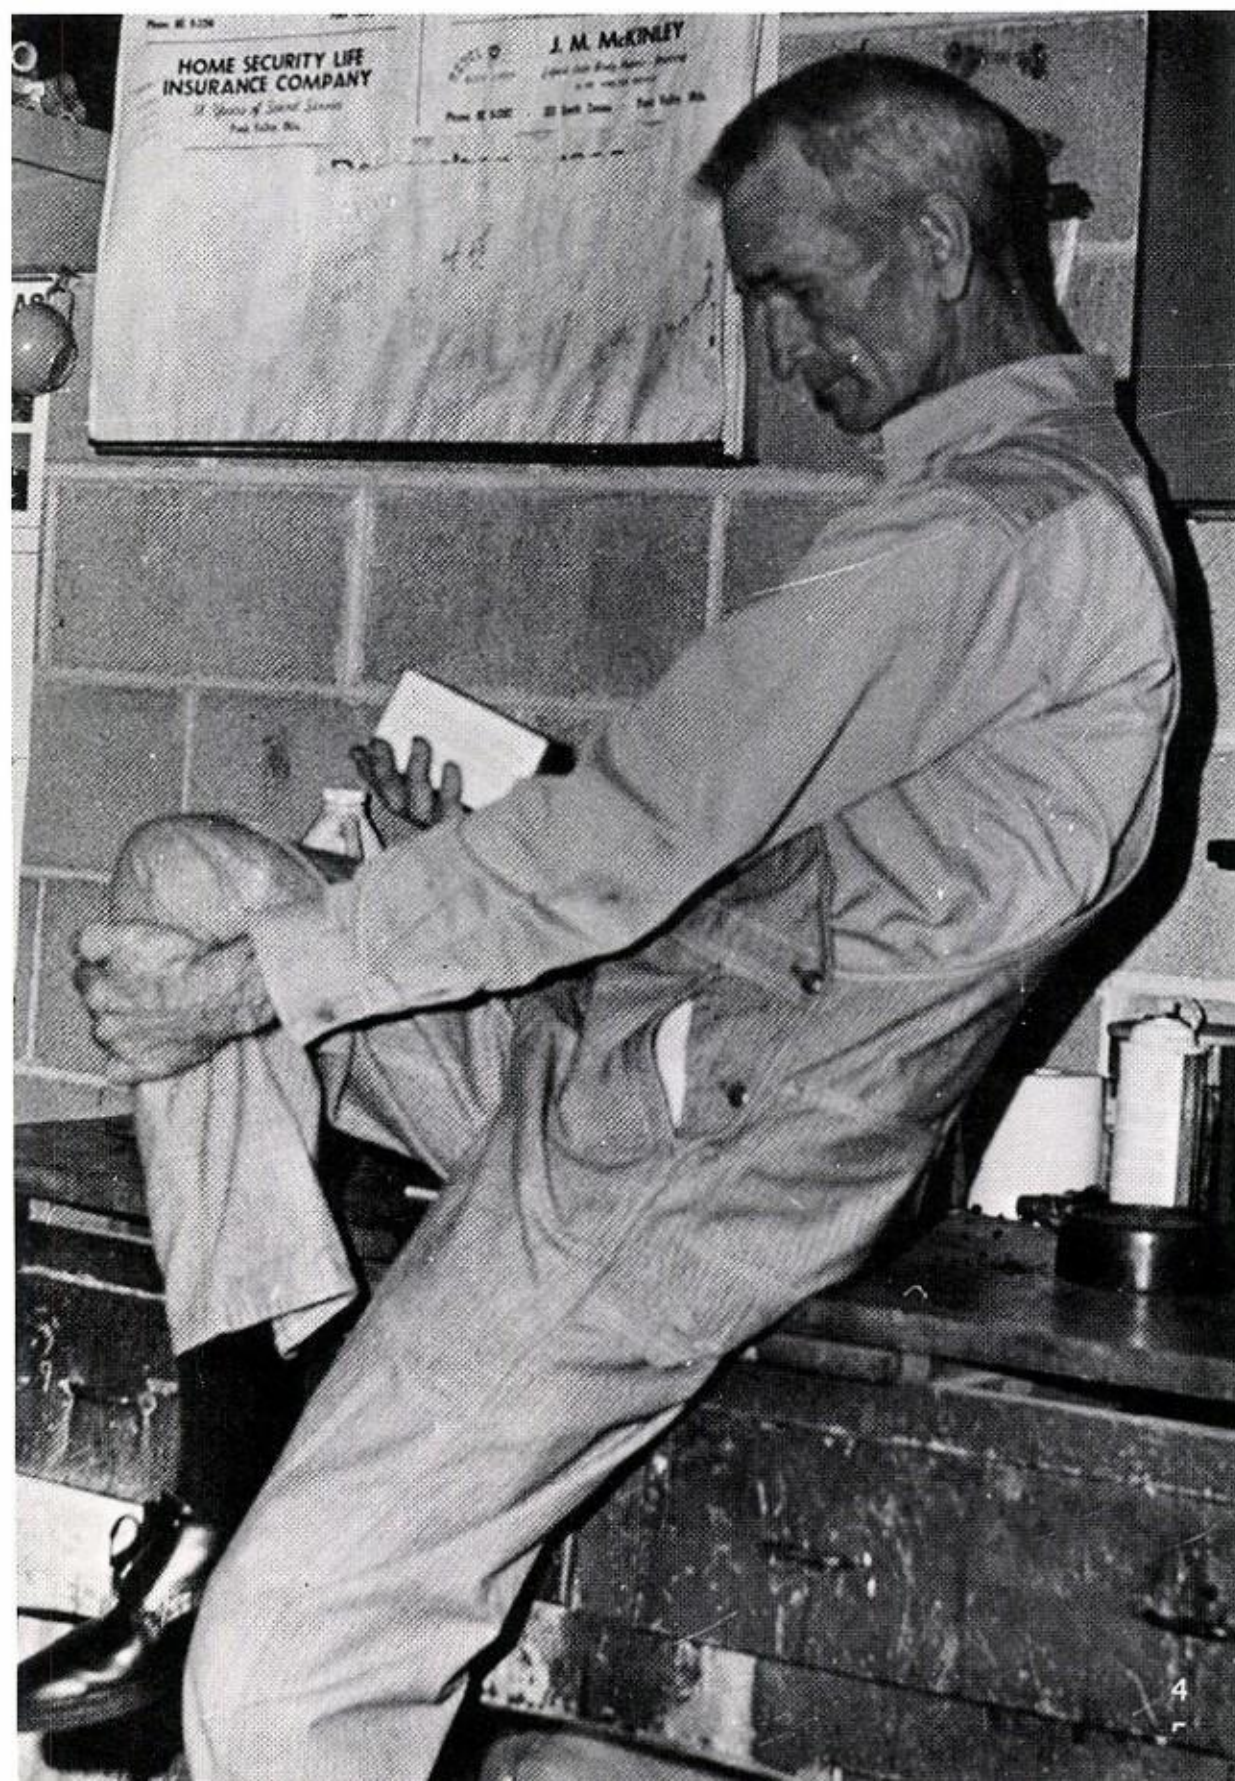

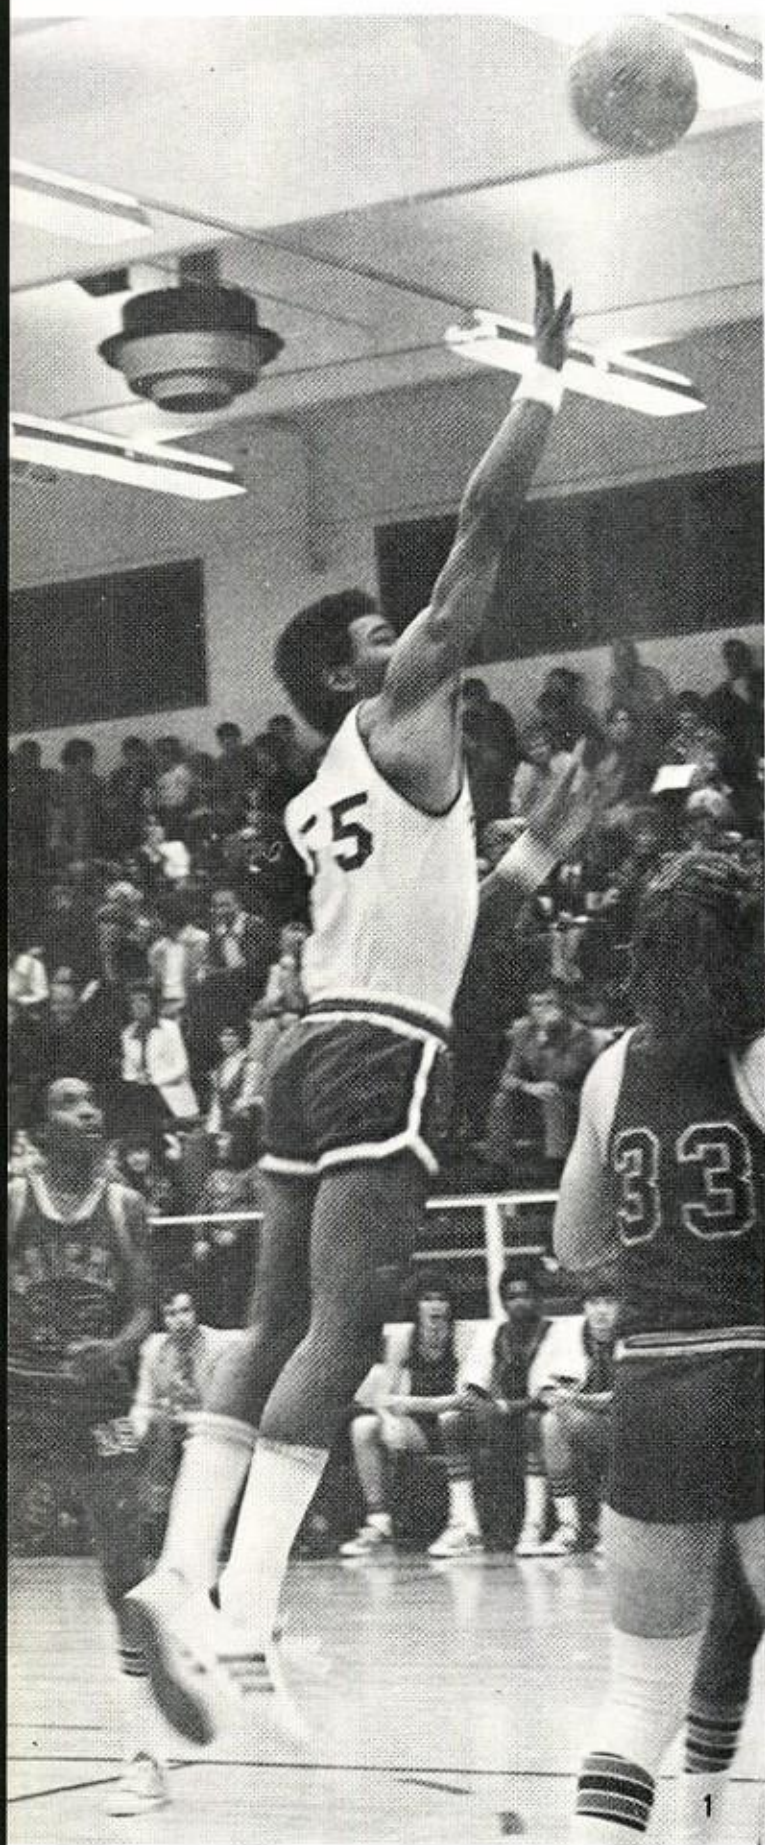

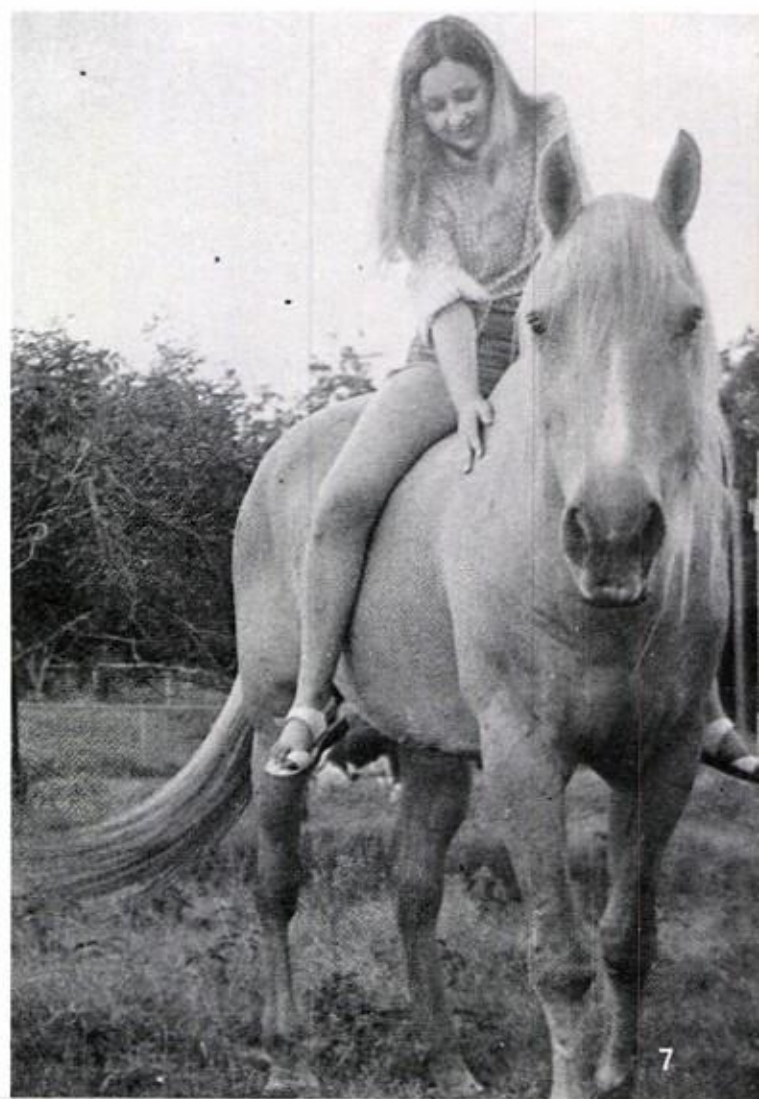

On a personal level, freaking out is a process whereby an individual casts off outmoded and restricting standards of thinking, dress, and social etiquette in order to express **CREATIVELY** his relationship to his immediate environment and the social structure as a whole.

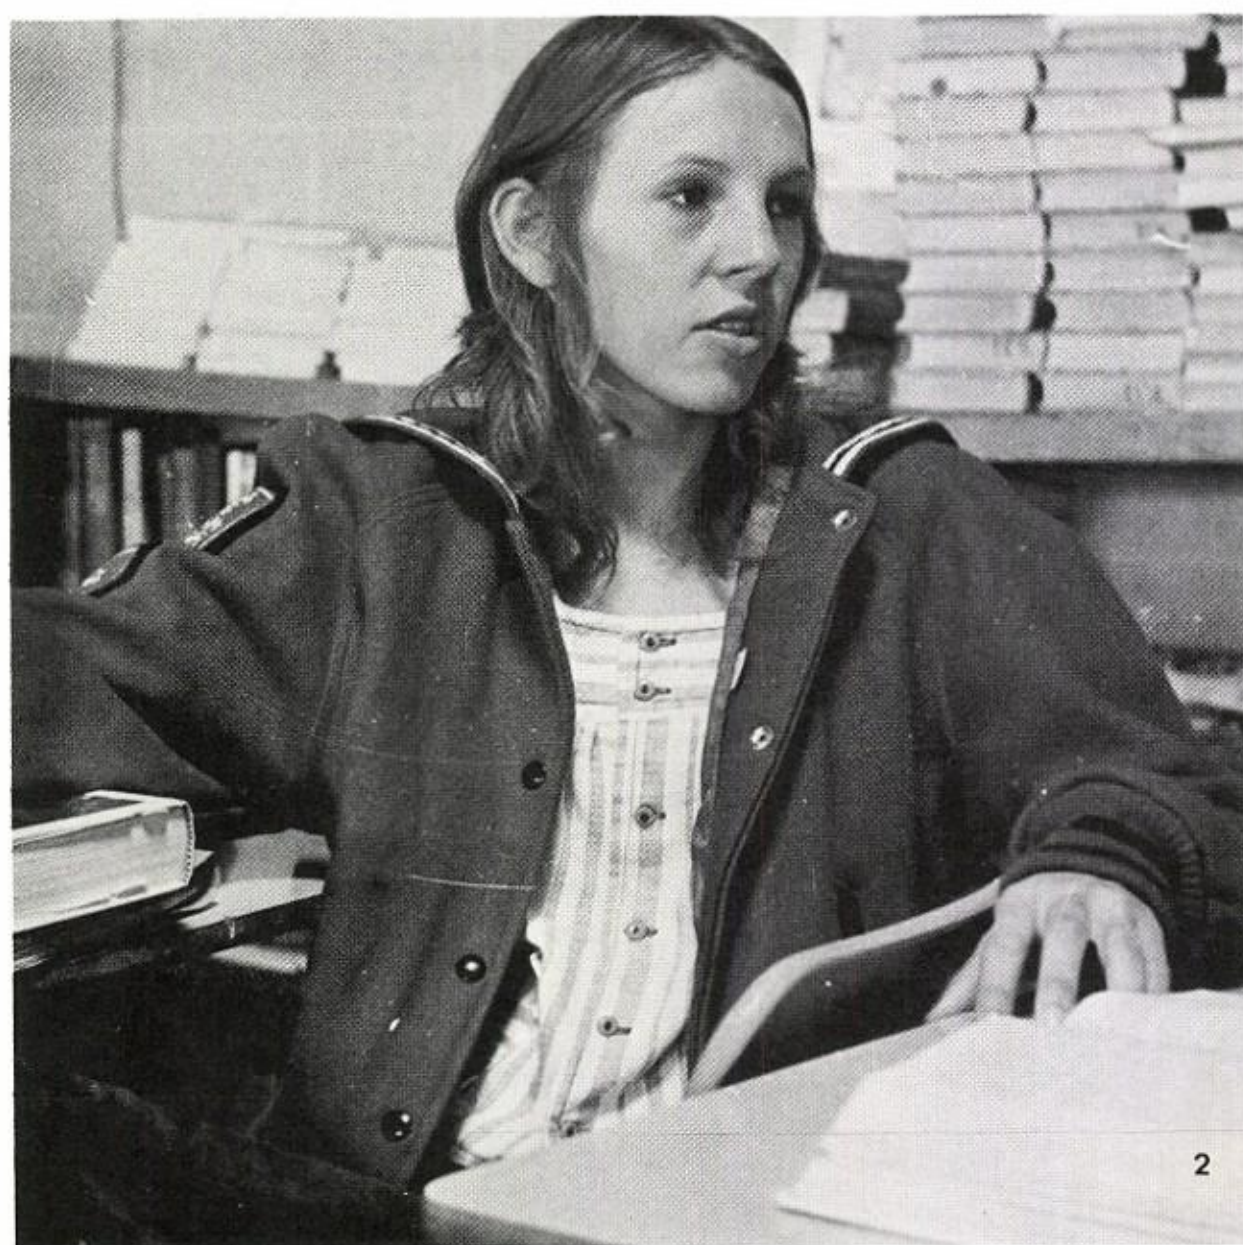

1. **"The Night of January 16th"** is being performed by Mrs. Pat Kelley's drama class.

7. **While decorating** for the Junior-Senior Banquet, Nita Couch and Sally Farquhar take a ride.

So what if...

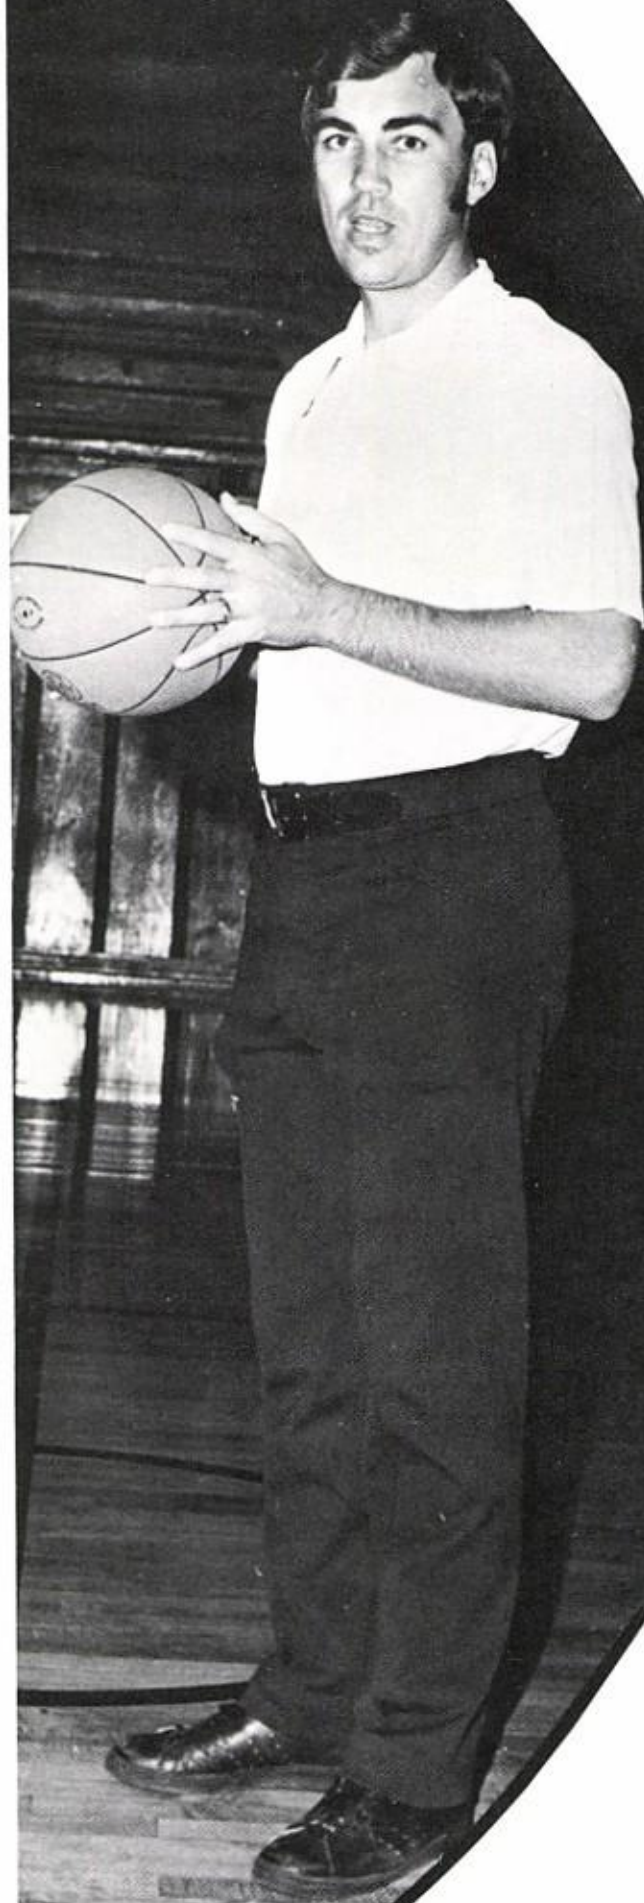

you talk to the blackboard instead of the students.

your chemistry students think they know more chemistry than you.

you break your arm while dressed as a rabbit, and they send you to the vet.

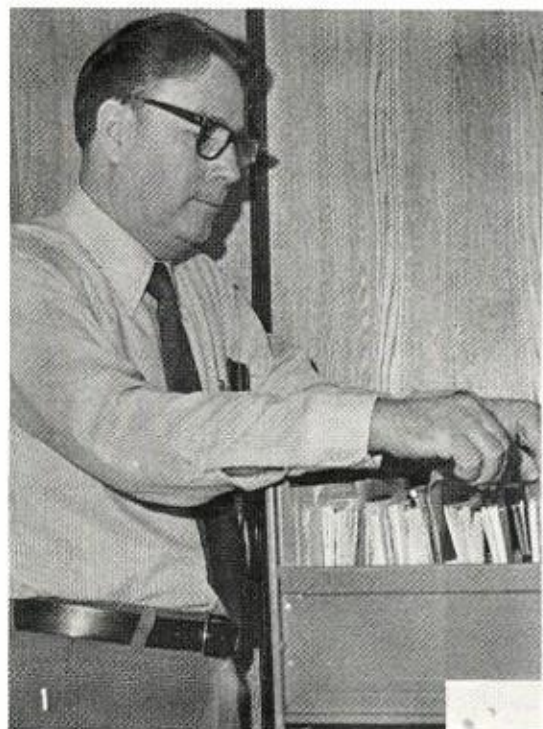

you lose your gradebook, or someone rips it off.

you get your car and house egged on Halloween.

Panther Schedule Includes 3 Play-off Teams

It takes more than blood, sweat and tears to win football games. This was really a year for the Panthers who played a tough schedule including three teams that entered the state playoffs.

Closing the year with a 3-6-1 record they felt that they had tried to win and had given experience to lower classmen.

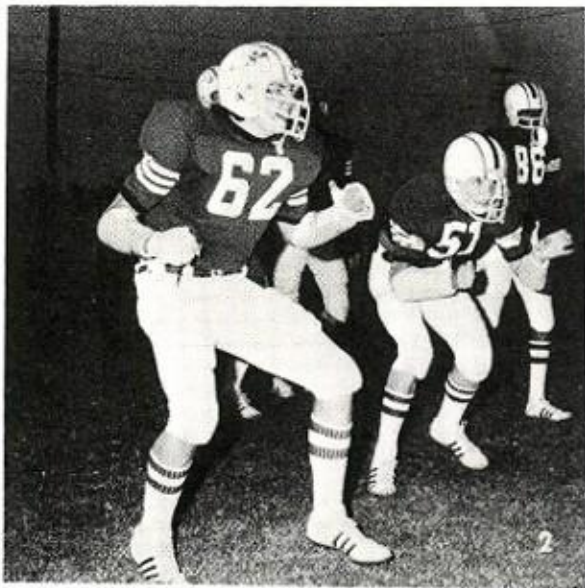

Under the direction of Coach Jack Hays the Panthers had their ups and downs with the final four games being the best of the year.

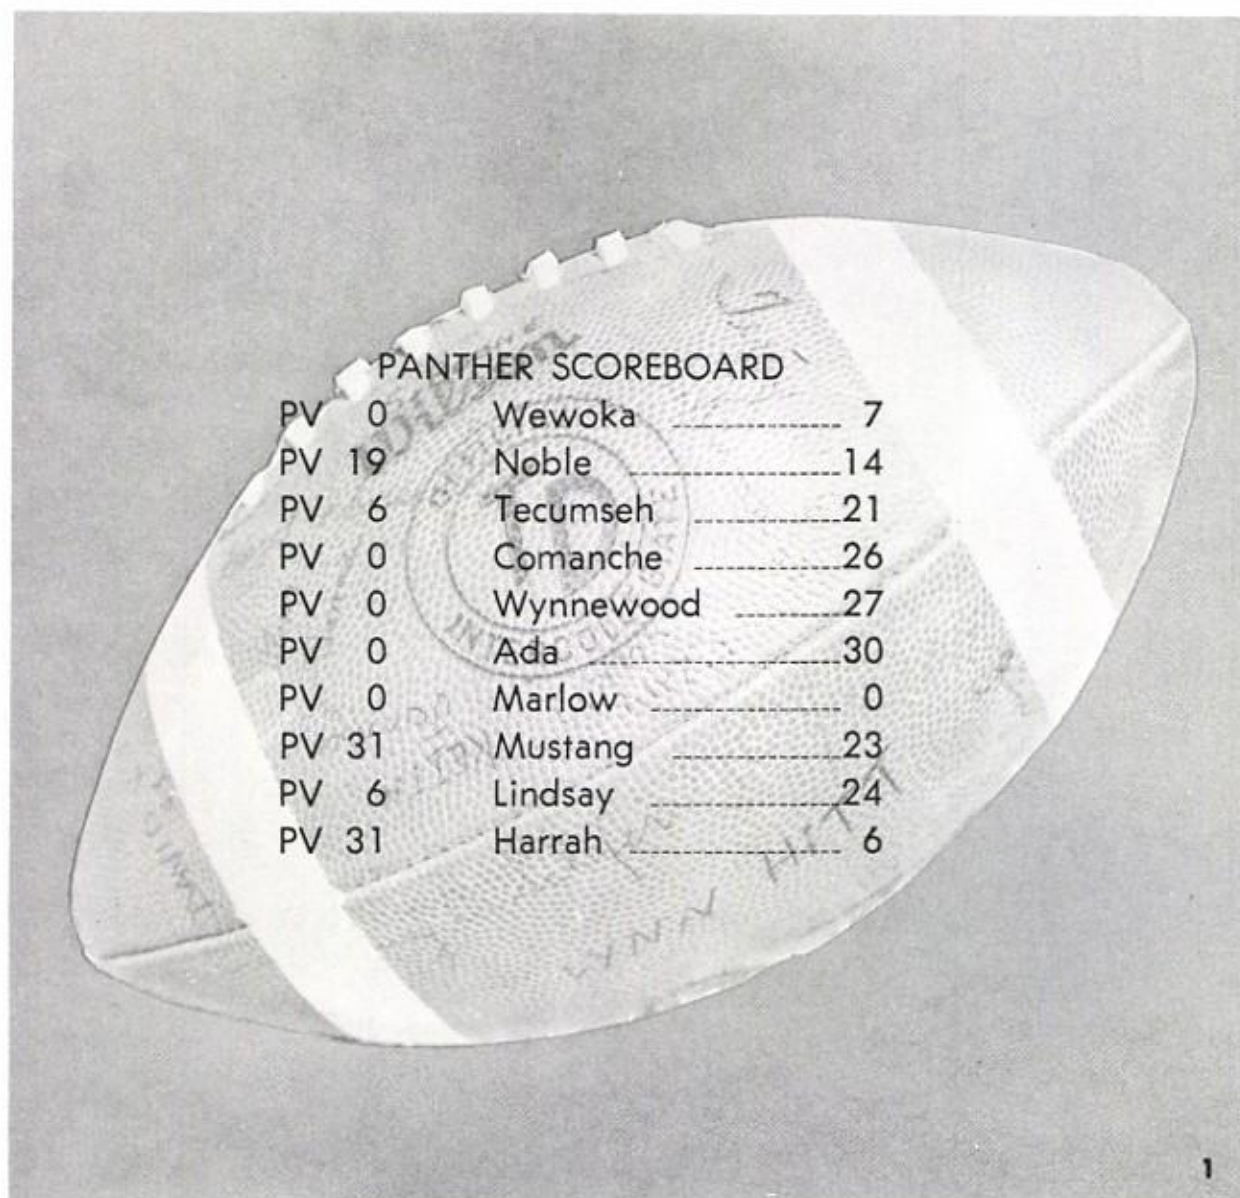

The pre-season polls had Pauls Valley picked to be fourth in the conference but with a strong finish they placed in a three-way tie behind rival Lindsay and Comanche.

The season's statistics showed the

young team made many mistakes, too many to overcome the Tigers and PV lost 7 to 0. The following week in an error filled game PV beat Noble 19 to 14. Next the Panthers lost a big game to Tecumseh 21 to 6. The homecoming game against Comanche proved another disappointment as PV lost 26 to 0. They met Wynnewood, a class A

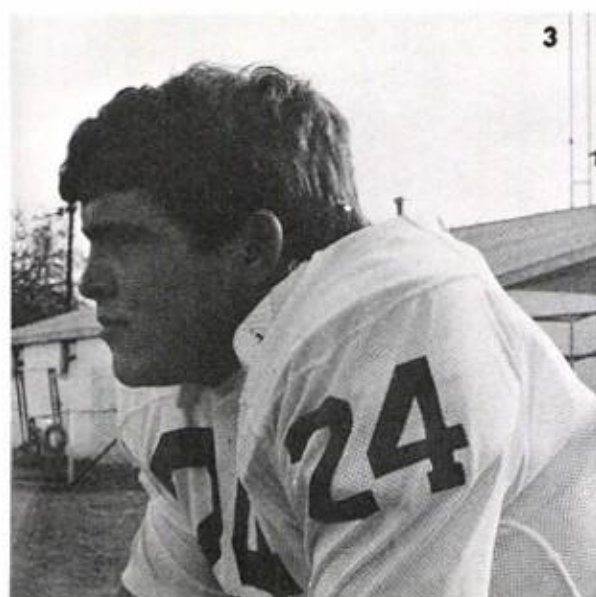

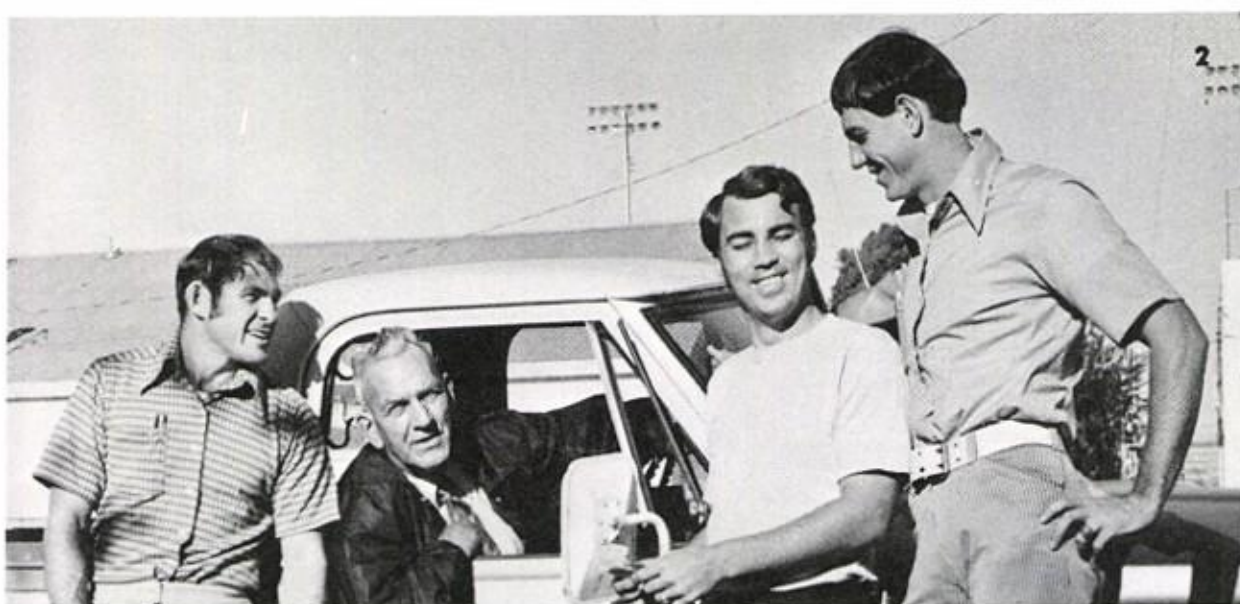

1. **AVERAGING** about 165 pounds, the back-field members are Gary Bradley, Stanley Peters, Tommy Felan, Steve Hedges, Keith Story and Reginal Peters.
2. **KEITH JOHNSON** and Danny Winget warm up to meet Noble. PV won the game by a score of 19 to 14.
3. **CHRIS CALDWELL**, sophomore, intercepts a pass against Tecumseh.
4. **EIGHT SENIORS** (circled) hated to say goodbye at the end of the season. Six of the eight seniors that made the All-District team are: Keith Story, Stanley Peters, Jody Deacon, Steve Hedges, Tom Thomas, and Rick Tate.

PANTHER SCOREBOARD

PV 6	Tecumseh	21
PV 0	Comanche	26

finalist, and were defeated 27 to 0 after trailing by 7 at halftime. Even though they lost to the Ada Cougars 30 to 0 the fans saw a new improvement in the team as PV never gave up during the game. It was a 0 to 0 tie when the Panthers met the Marlow Outlaws. They won the next game with their biggest point production of the season by toppling Mustang 31 to 23 as Greg Loman set a school field goal record of 48 yards.

The game with cross country rival Lindsay was the Panthers best as they went out and took it to Lindsay even though Lindsay won 24 to 7. In the last game of the season the Panthers put it all together by trouncing Harrah 31 to 6.

Eight seniors looked back at the record and said "Just wait until next year! Get 'em Panthers."

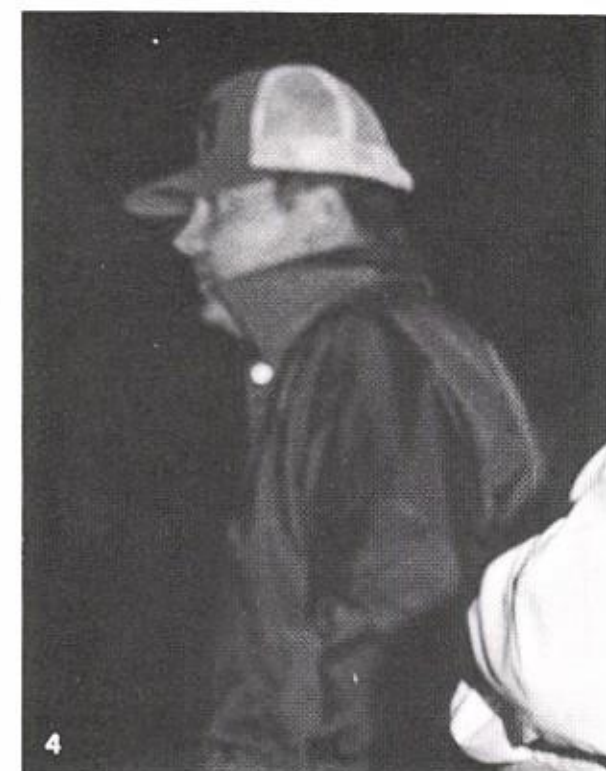

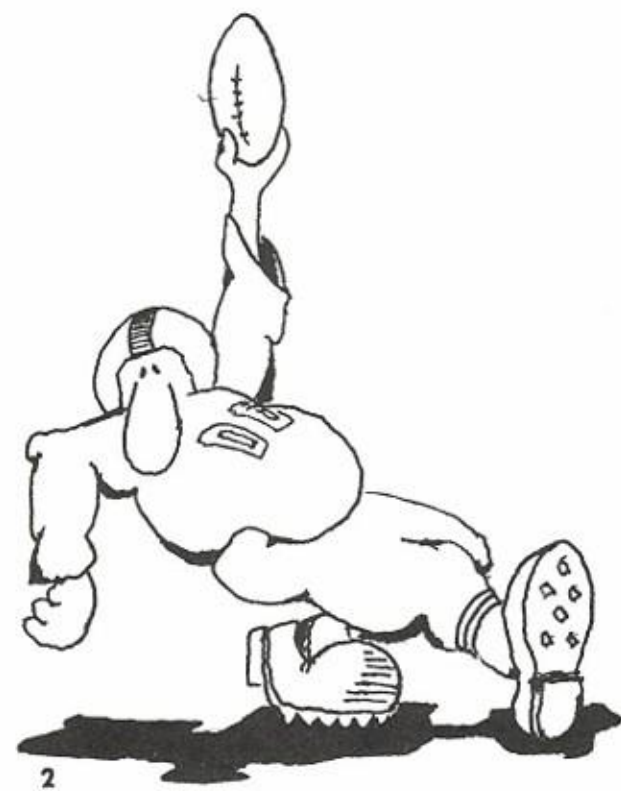

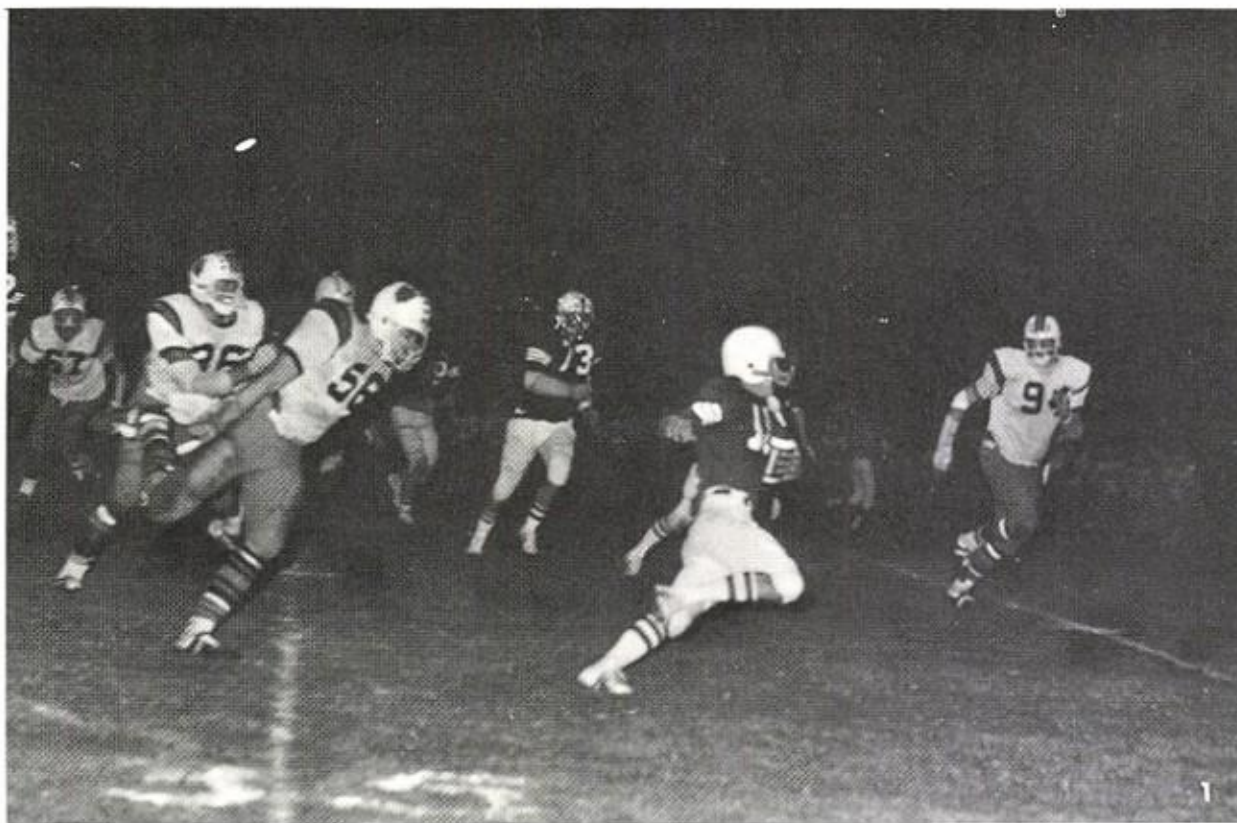

1. **THE PANTHERS** over-all record was 3-6-1 with the best games being against Mustang, a 31 to 23 win, and Lindsay, a 24 to 7 loss.

2. **COACHES FLOYD JOHNSON**, head scout, Harry Cheadle, line coach, Mick Weiberg, back coach, and Danny Schafer, line coach, visit before the last game.

3. **STEVE BOONE** thinks back on the season and of how things might of been with a few more breaks here and there.

Teammates and coaches missed the presence of Ben Jacobson. Coach Hays said that Ben had won himself a place in the starting lineup as a tackle. Ben's determination and drive lingered as an inspiration and the Panthers went out determined to beat Noble "just for Ben".

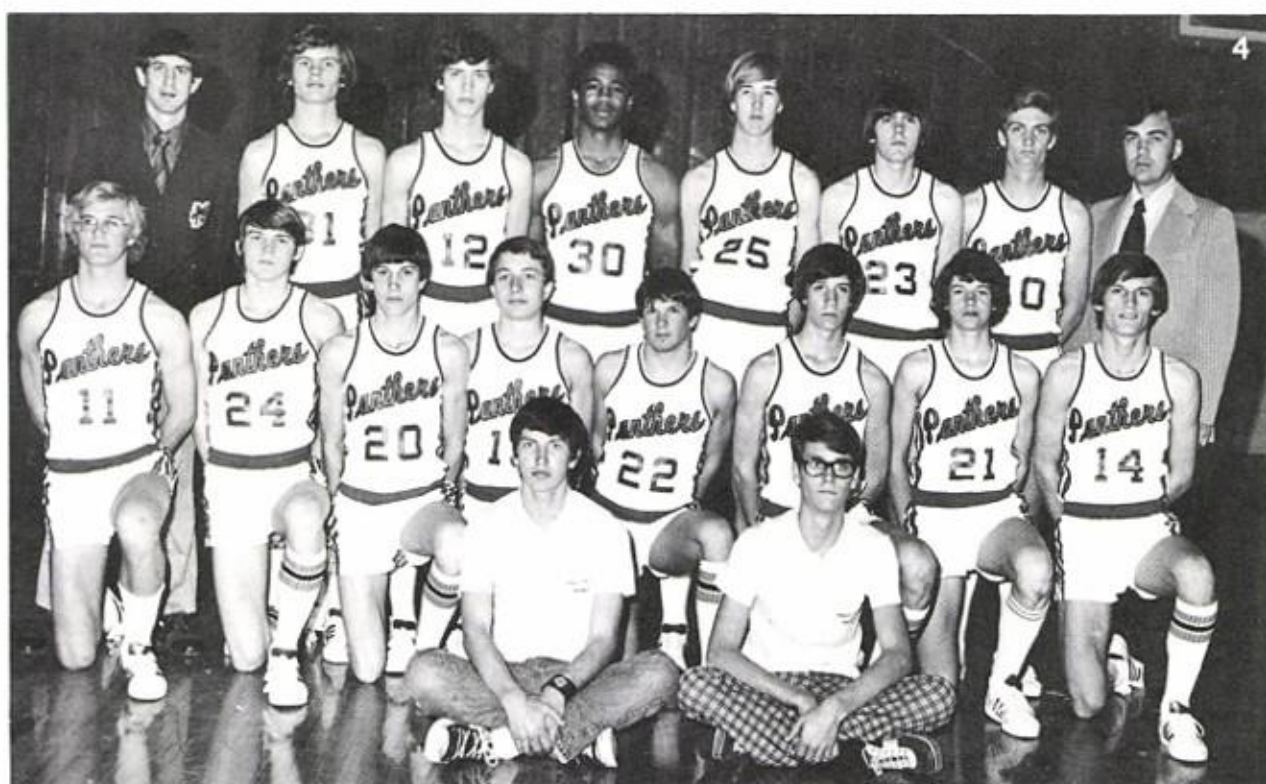

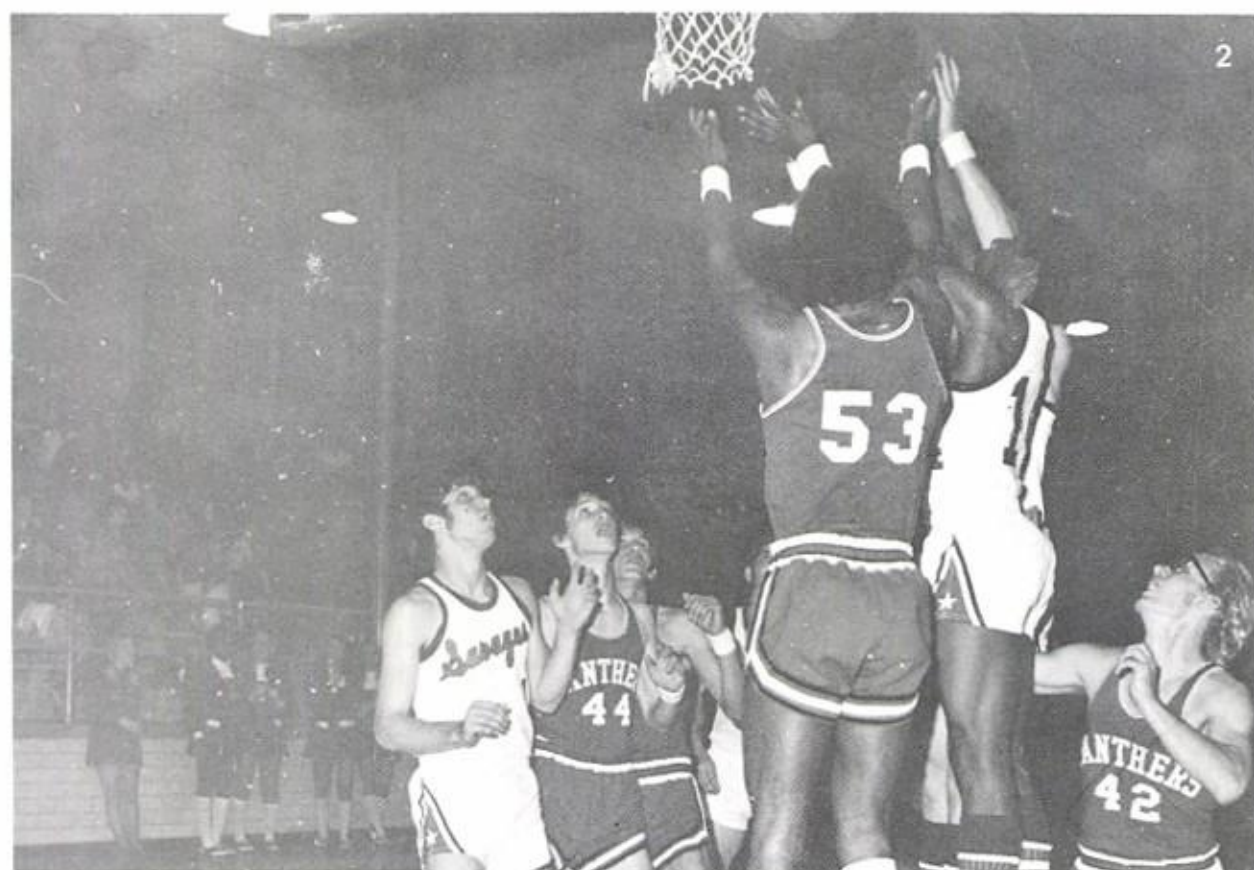

The game ball was autographed by his teammates and presented to his family.

1. **TOMMY FELAN** heads up field for valuable yardage against the Lindsay Leopards. The Leopards were defeated in the first round of the state playoffs.
2. **"KEEP ON TRUCKIN"** was the motto given to the football team. Gary Capps is the artist.
3. **CHRIS CALDWELL**, teammates, and Coach Danny Schafer watch the final seconds tick off the clock as the Panthers all wait to go out and celebrate their first victory of the season, a 19 to 14 win over the Noble Bears.
4. **HEAD COACH** Jack Hays looks on to see what might be done to help the Panthers win against Comanche.
5. **SENIOR TIGHT END** Rickey Tate attempts to catch a pass but gets nothing but a Noble Bear helmet.

4th Quarter Stalls Panthers All Season

Due to the loss of four starters from last year's team, an inexperienced group of cagers plunged into the basketball season. Coach Mick Wieberg arranged his schedule so that one month could be taken to prepare a team for tough early competition and the Arbuckle Conference race.

Lacking height, the team worked to improve their outside shooting and free throw percentage, but turnovers cost the team several early season ballgames. During the Christmas break, the Panthers ironed out rough spots in their game and afterwards, played some of the best basketball that they played all year.

A mid-season bout with the flu slowed the Panthers but pressure was also a key factor during the season as the Panthers led most of their games through three quarters but lost under pressure during the final minutes.

1. LETTING THE PANTHERS know they made a mistake is Coach Mick Wieberg.

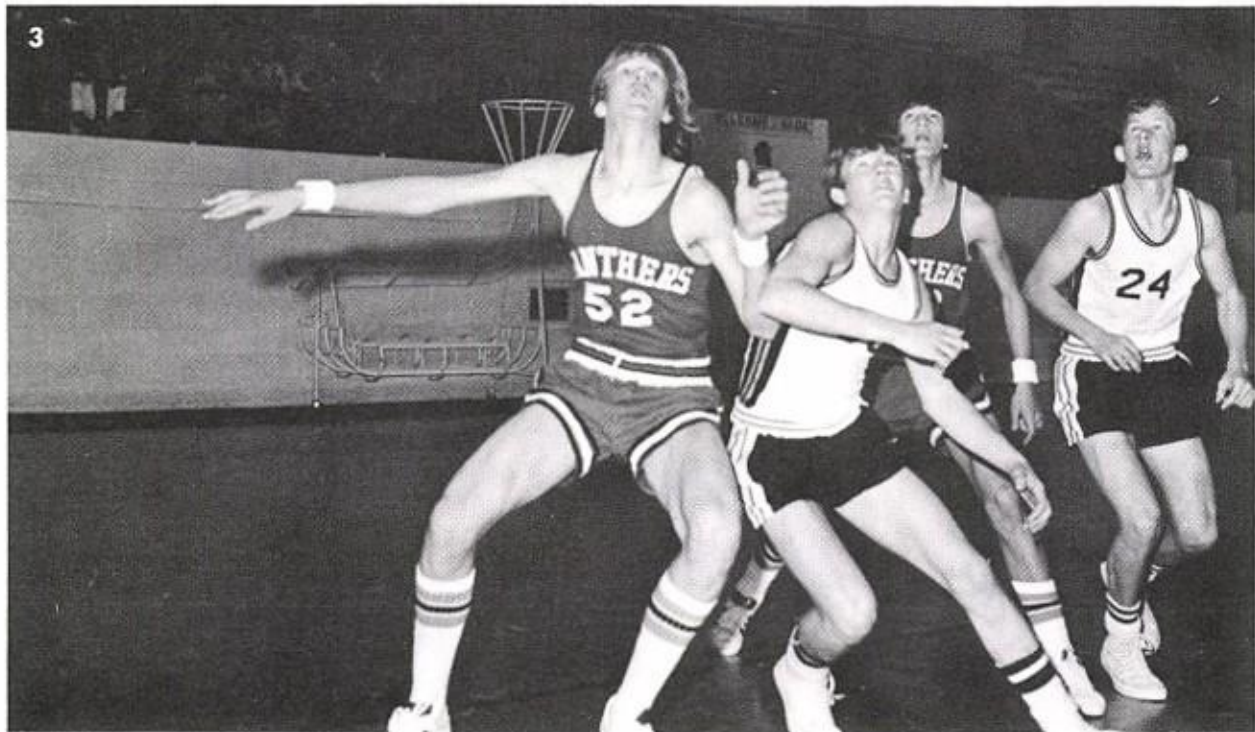

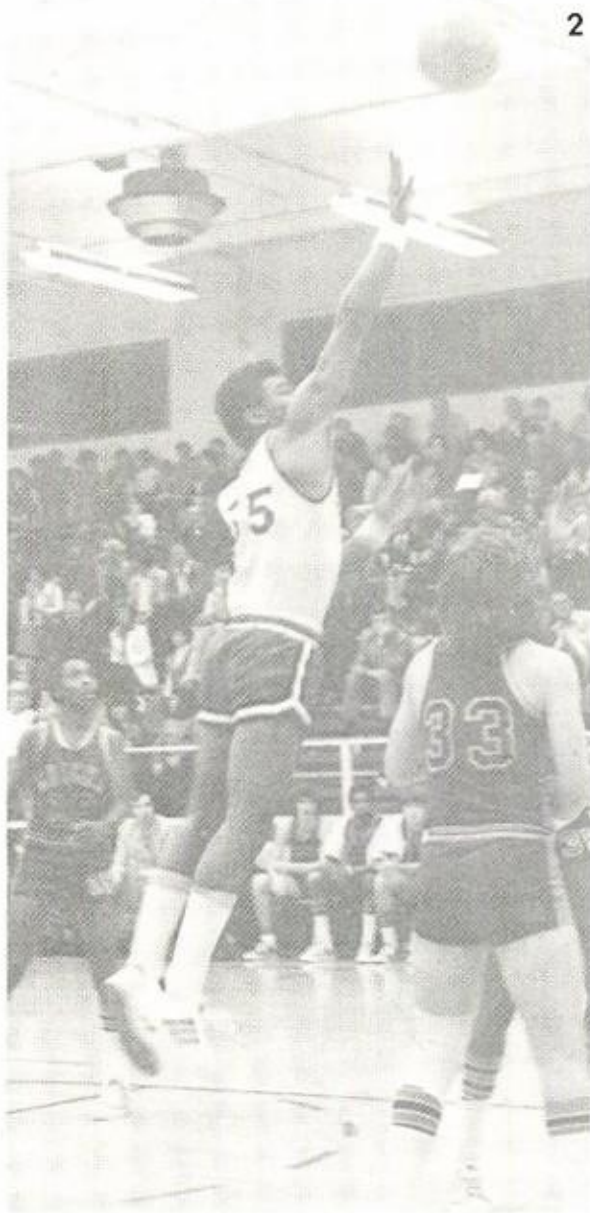

2. BLOCKING KEPT WYNNEWOOD off the boards.

3. PAINTING THE RAILINGS in the gym was one of the jobs for managers Kevin Chapman and Jim McCarty.

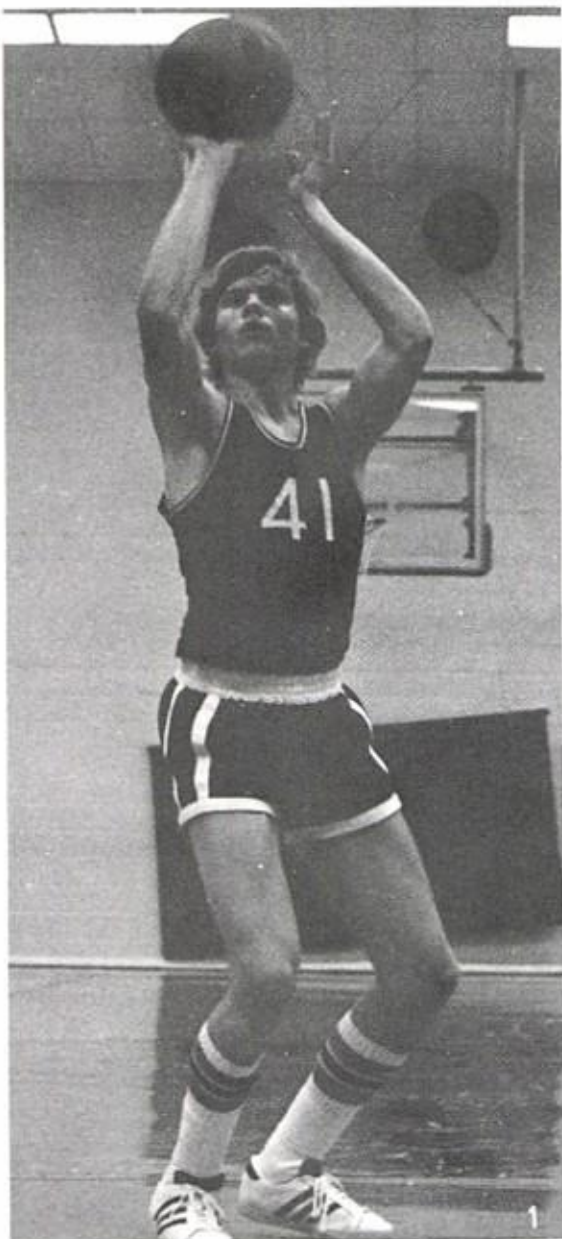

4. AFTER AN 18 POINT victory over Latta, the Varsity poses for an end-of-season picture.

2. **TIPPING IN TWO** points against Chickasha is Gary Bradley who averaged 42 percent on field goals.

4. **GETTING THE TIP-OFF** without fouling was important. These Panthers averaged 50 percent or better on their free shots.

1. SHOOTING A ONE AND ONE against Latta is Jack Moore.
2. THE JUNIOR VARSITY takes third at the O.S.D. Tournament.

Wrestlers Place At State

Coached by Floyd Johnson and Assistant Coach Ronny Perry, the wrestling team compiled a record to be proud of. They competed in 17 duals and only lost five, thus making a 12-5 record for the year.

During the season they traveled to four tournaments and hosted an invitational tournament.

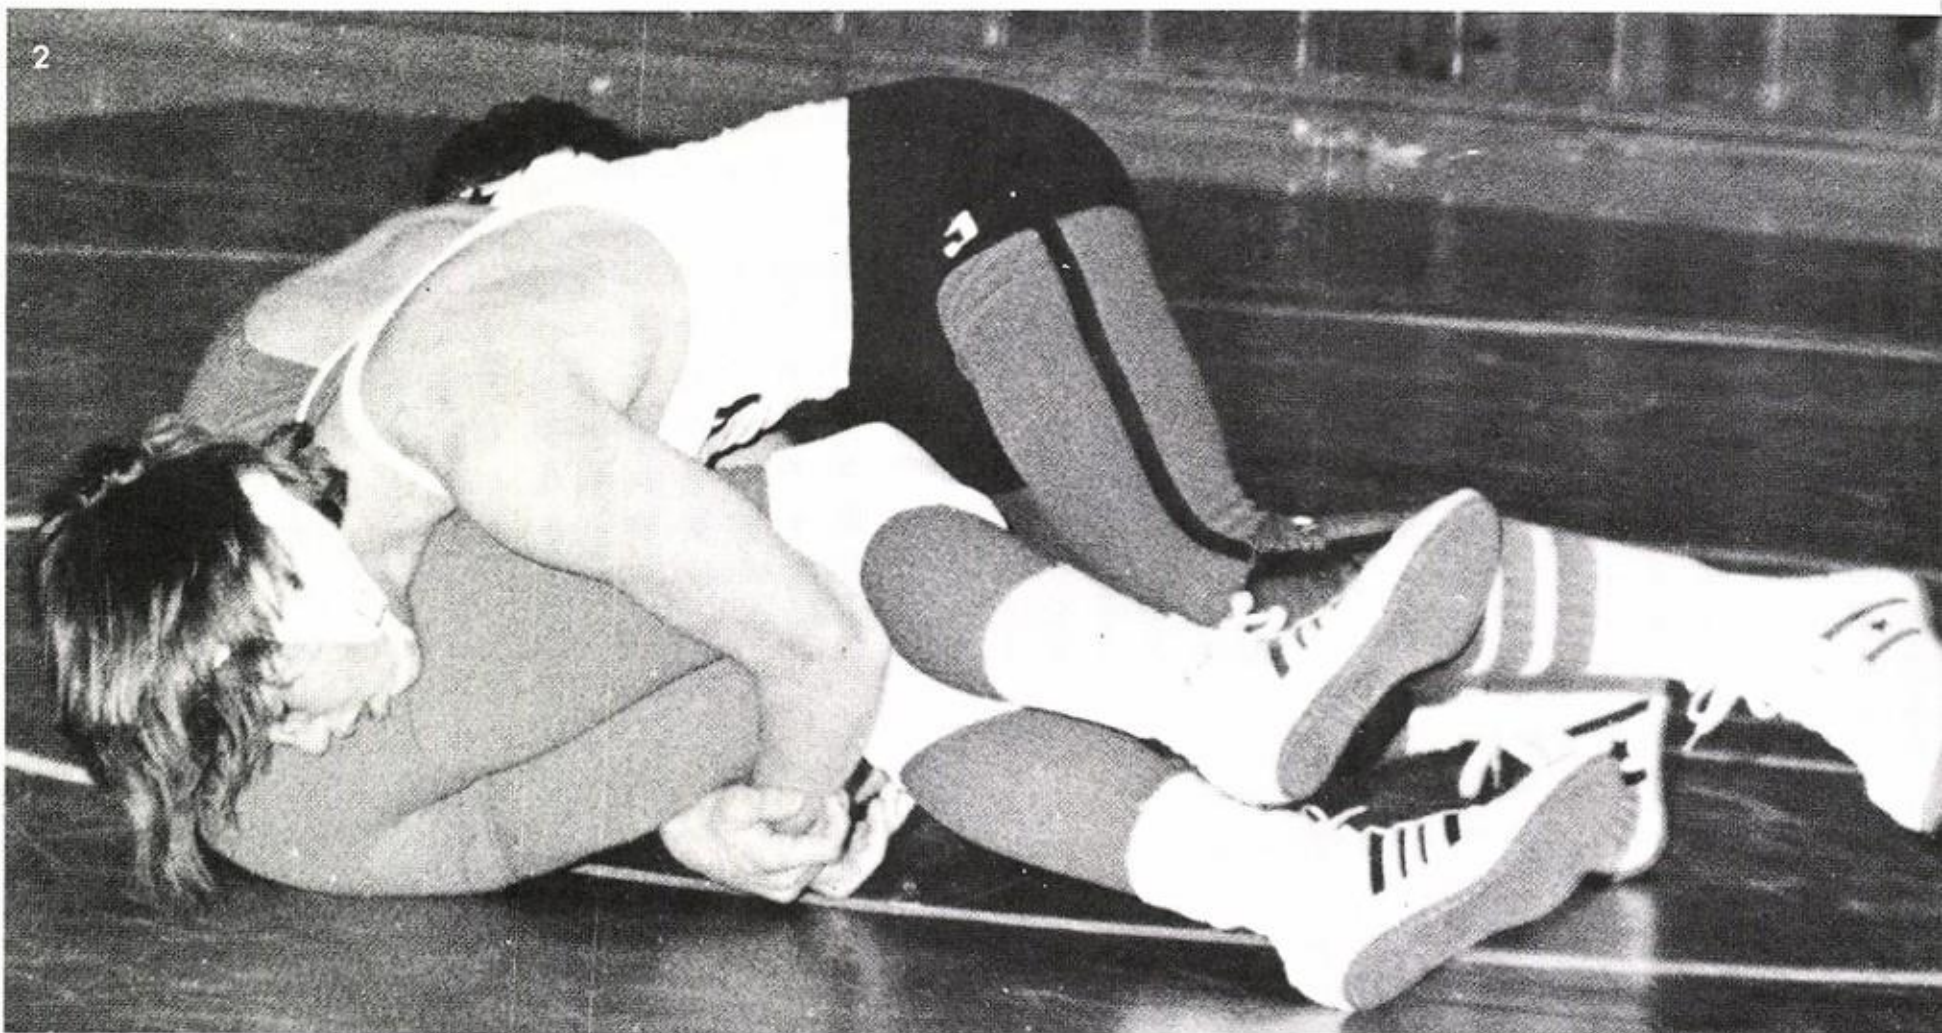

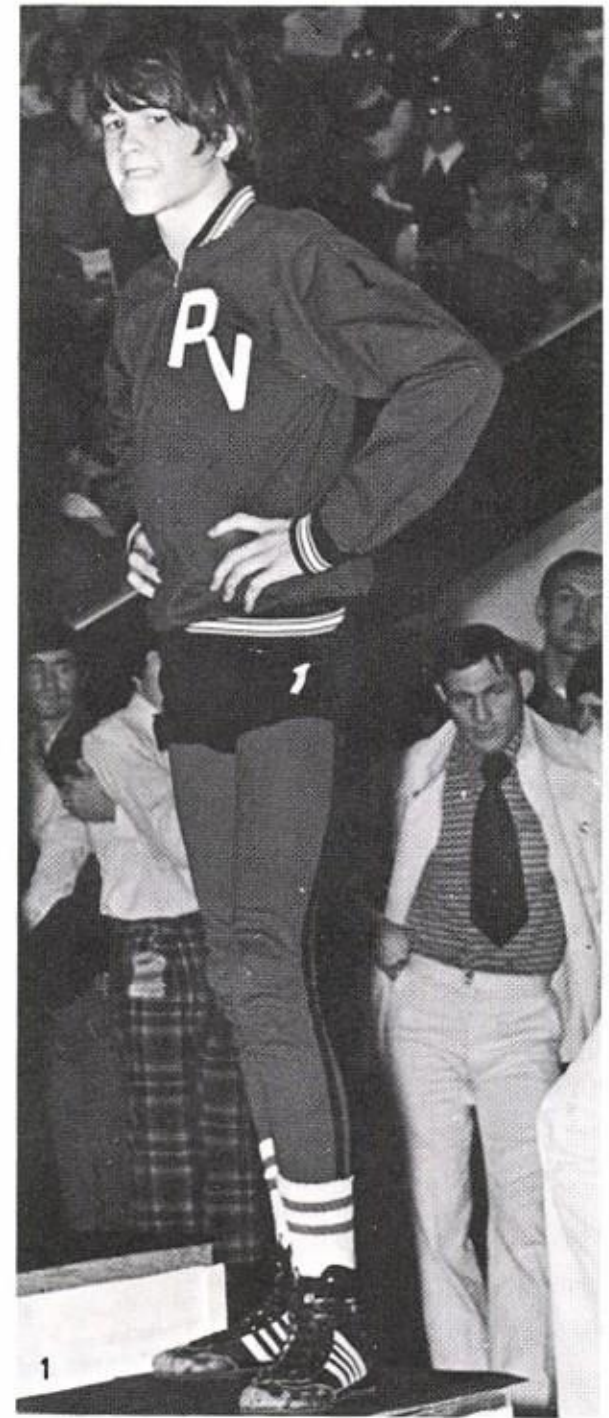

Of the five tournaments, they placed first in the Pauls Valley Invitational and fourth in the Lawton MacArthur Invitational. They placed second in the conference at Guthrie and fourth in the regionals at Clinton. Four wrestlers were eligible for the State tournament at Oral

Roberts University in Tulsa.

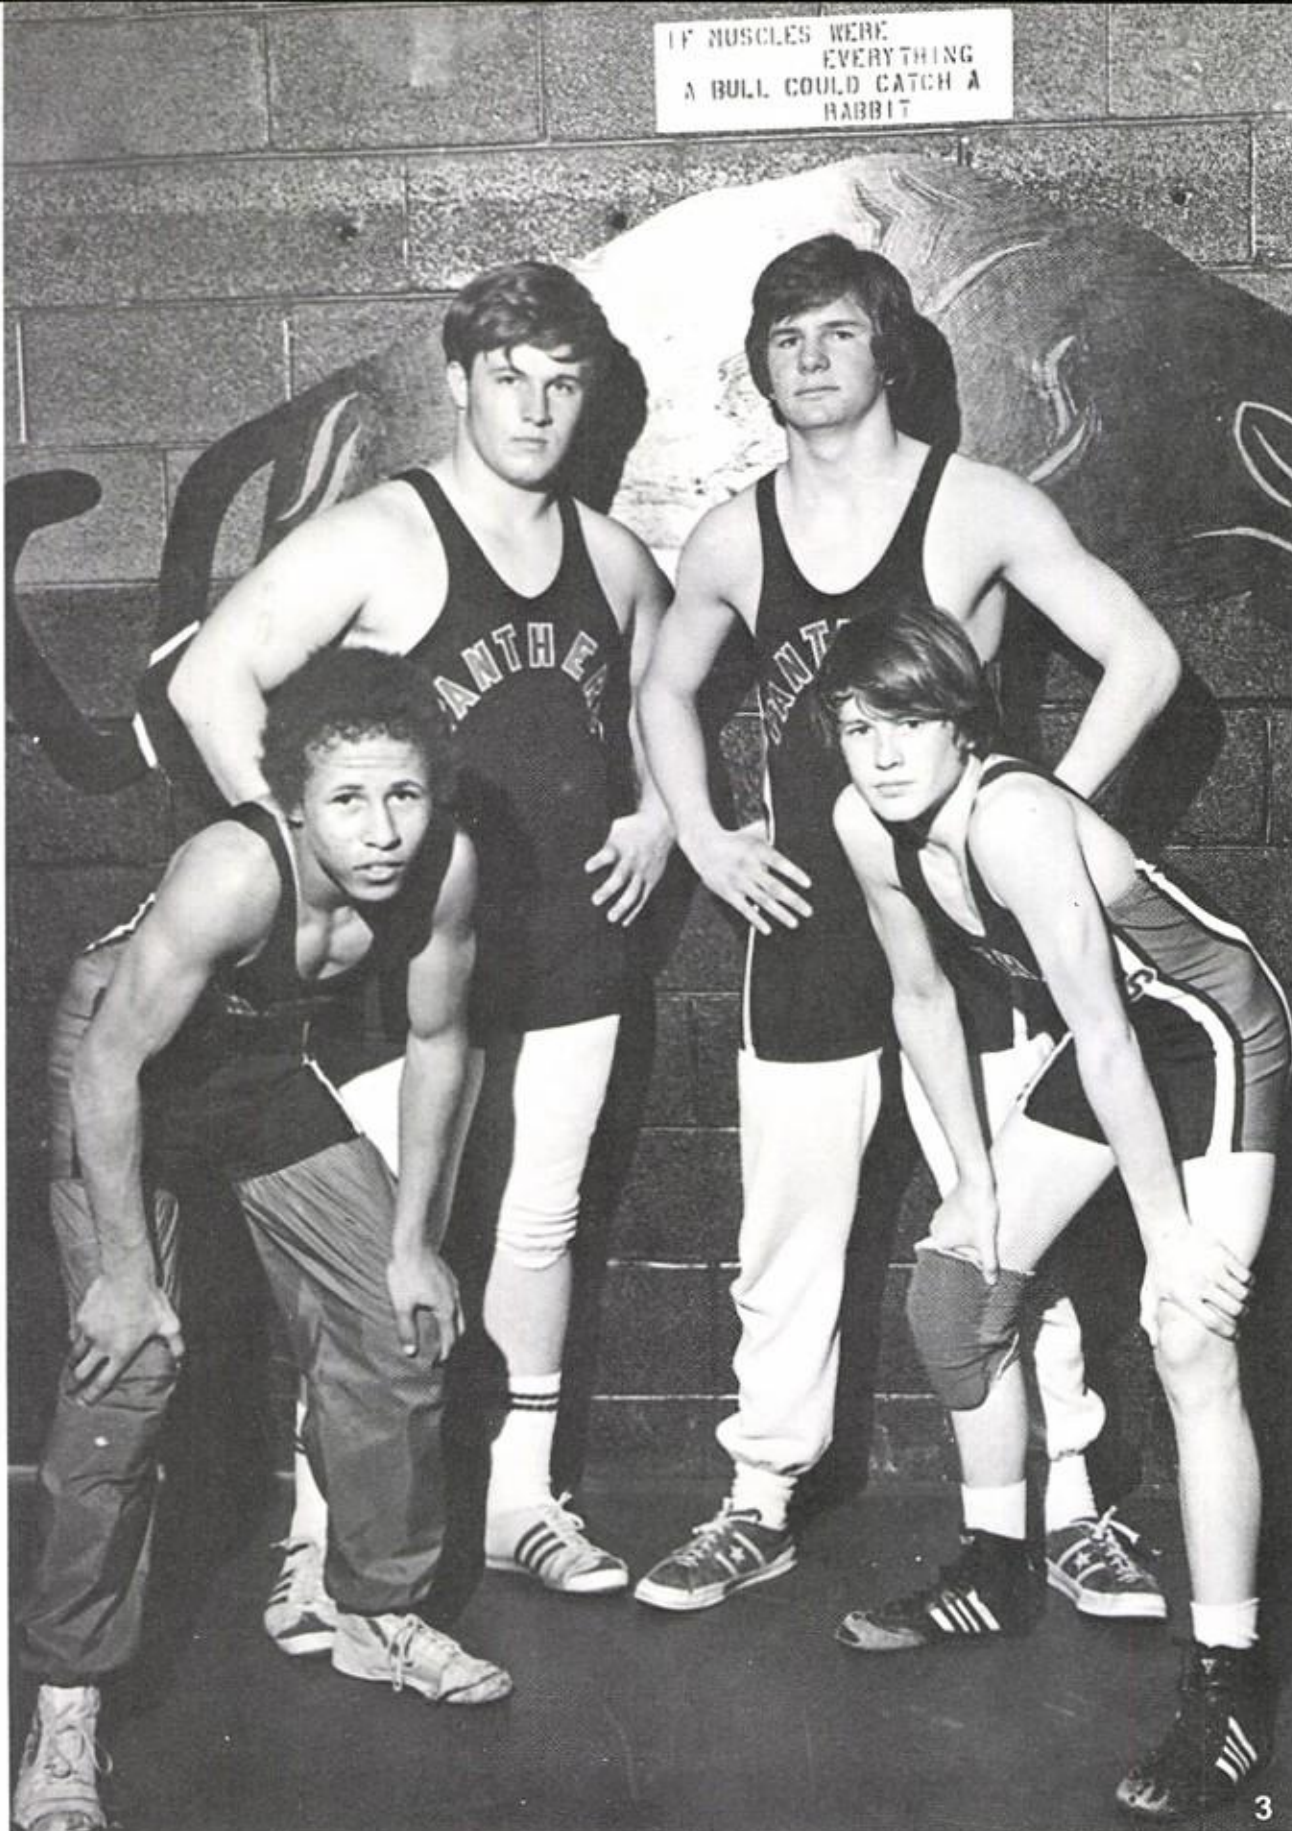

At Regionals: John Jeffries at 101, placed first; Harold Jones at 115, placed second; Keith Johnson at 178, placed fourth; Greg Loman, heavyweight, placed first.

With these four wrestlers in State competition Jeffries placed second and Loman fourth, with Jones and Johnson both placing sixth. They ranked tenth in State competition.

Outstanding wrestlers for the year by classes were: Sophomore, John Jeffries; Junior, Keith Johnson; and Senior, Ken Campbell. Greg Loman was commended for good work throughout the year.

Panthers Place Third In State

The Panther track team, coached by Jack Hays, took six participants and one alternate to the state track meet and with five placing the Panthers finished third with 22 points. Pauls Valley had two state champions, both coming from the field events. Jeff Dennis won the pole vault setting a school record of 14 feet to outdistance his teammate Tom Felan, who placed third. Rick Tate captured the high jump with Jim Chaufy placing second. Clint Hays qualified for the 120 high hurdles and placed third. Another teammate Robert DeLancey did not make the finals due mainly to the rough winds he had to face in the preliminaries. Four of the men on the track team participated in the Oklahoma Meet of Champions with three placing.

Included in the nine State Champions invited to the annual Klein Meet of Champions in Houston, Texas, were three Pauls Valley seniors: Robert DeLancey, Jeff Dennis, and Rick Tate.

1. **SIX MEN** made it to the State Meet. The Panthers had individual winners in placing second at Regionals.

 3. **RICK TATE CLEARS** the bar on his way to another victory in the high jump.

Kyle Doudican high jumped 6'-8½" as a high school freshman to set a world record for 15-year-olds. The day he set the state record of 6'9" he barely missed 7 feet.

But in the fall of 1973 Kyle realized that these would not be the tallest barriers he would have to face. The tallest barrier of his life represented life itself.

Kyle believed that mentally you

have a lot of control over your chemical body. His combatant attitude was a great element in fighting leukemia. Even as late as February, 1974, he was still yearning for a chance to tackle the gruelling, 10-event decathlon, and searching for ways to improve his Fosbury Flop.

When his friends visited him in the hospital expecting to cheer him

up, they found they were the ones that were encouraged because of his overwhelming good nature.

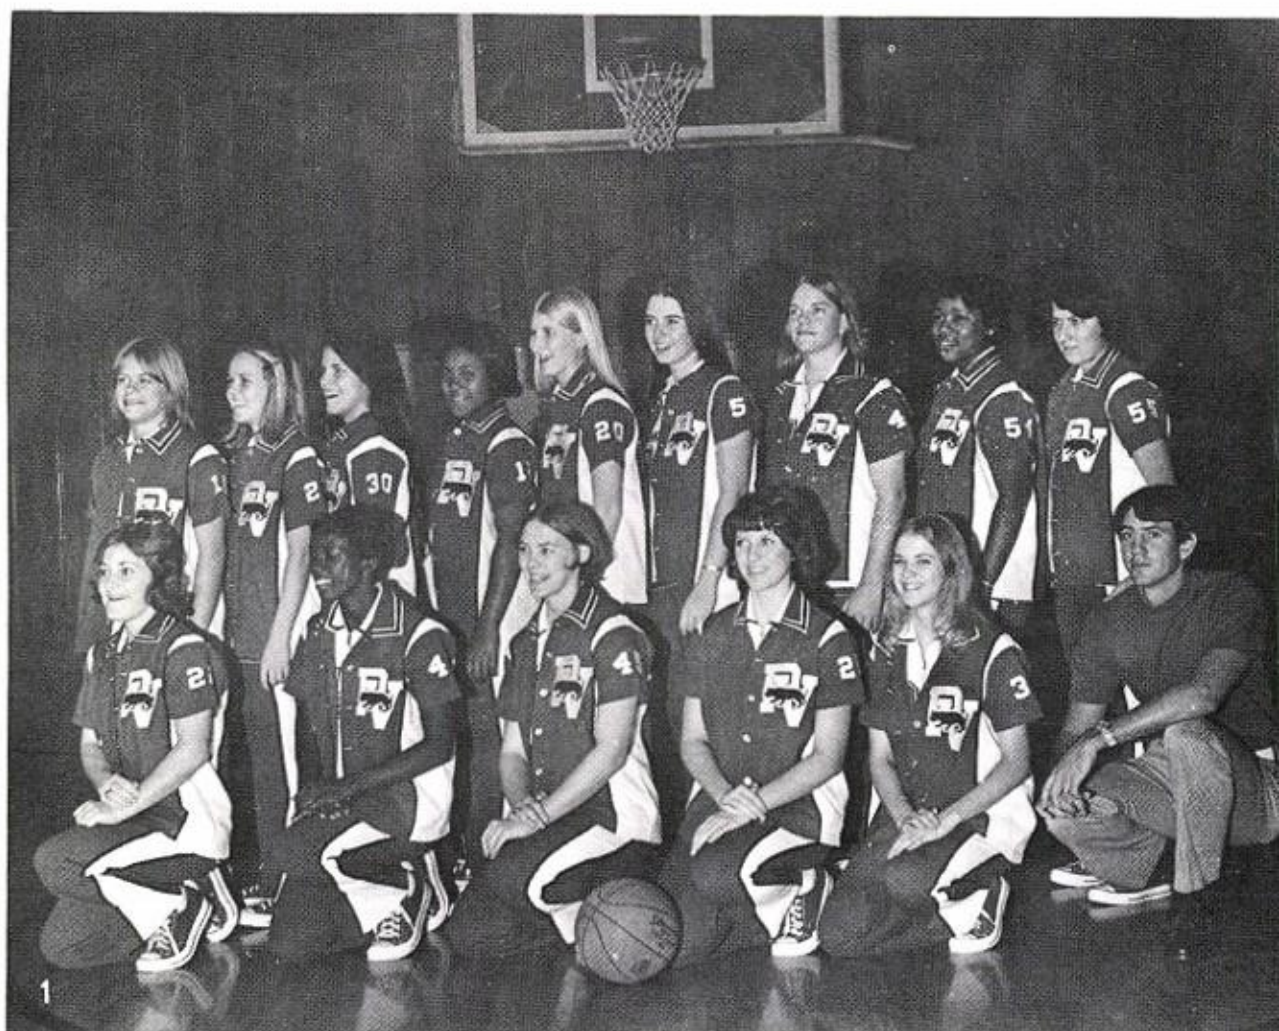

On the afternoon of April 3, 1974, Kyle announced to his nurse that he had seen his good friend, Benjamin and was impressed with the new life he was enjoying. Moments later he added, "I'm going with Benjamin."

20 Girls Enter Competition

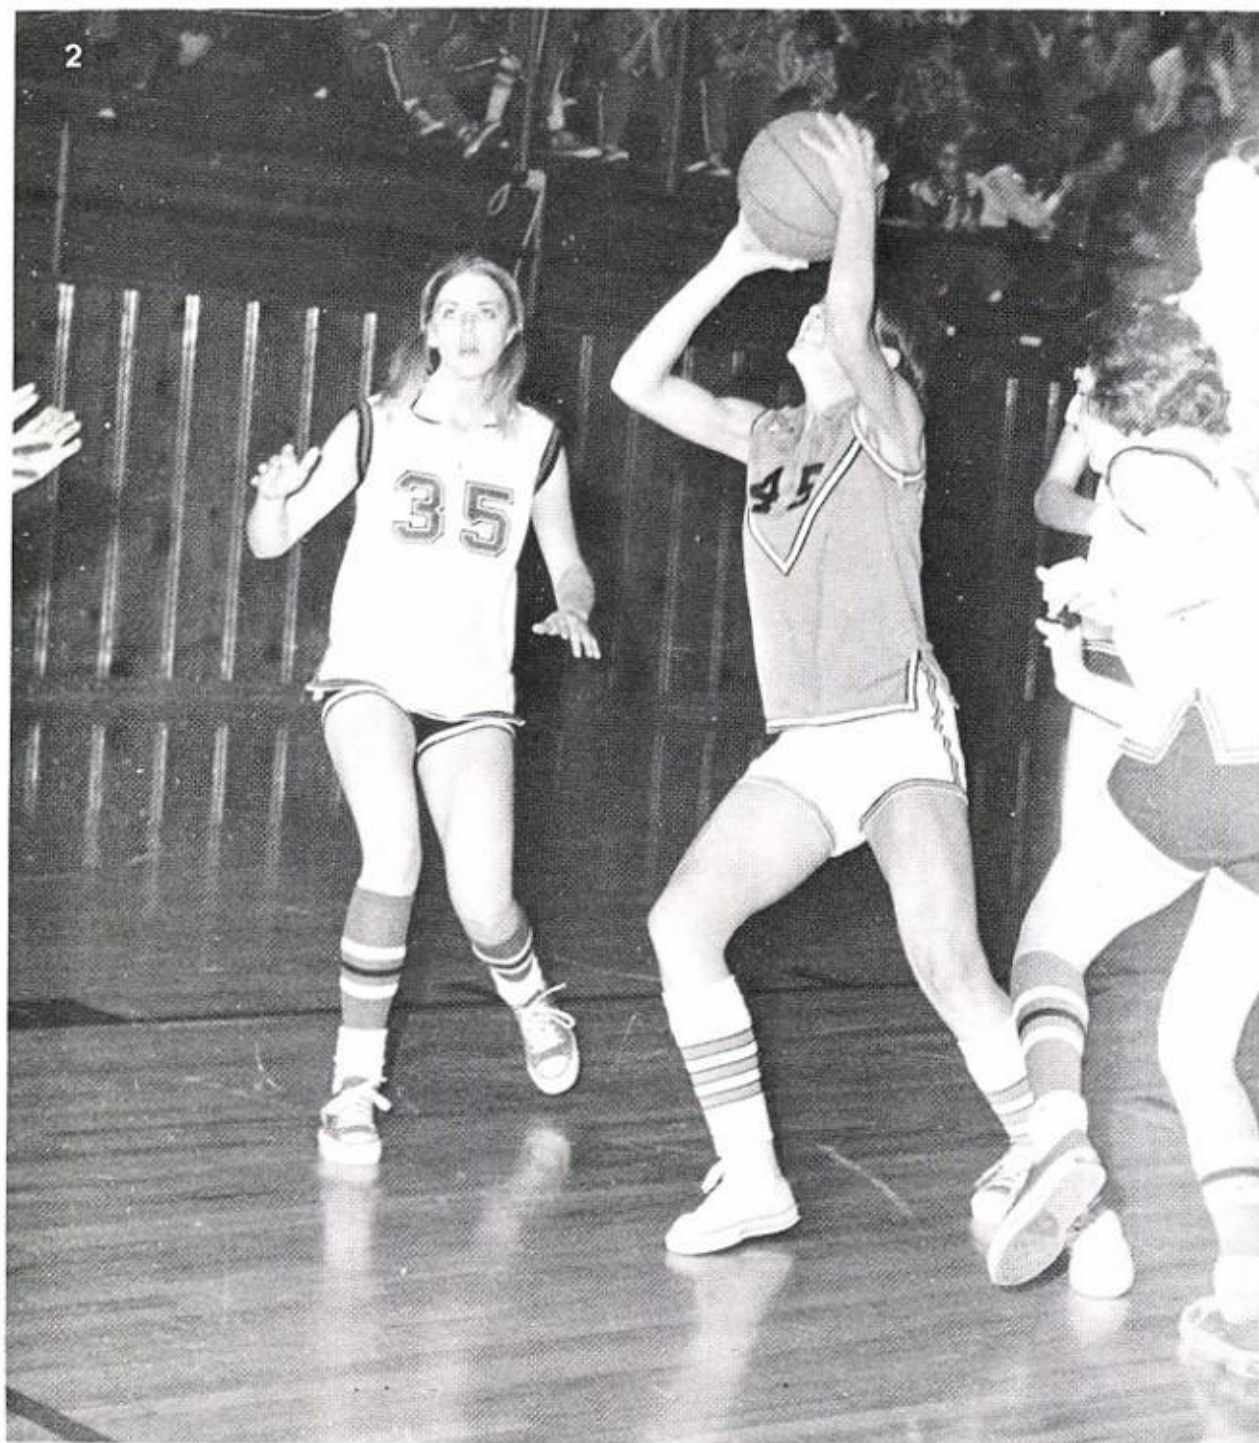

Making the team was very exciting to 17 high school girls, but they really had to work hard during practice and even give up part of their noon hour to make it.

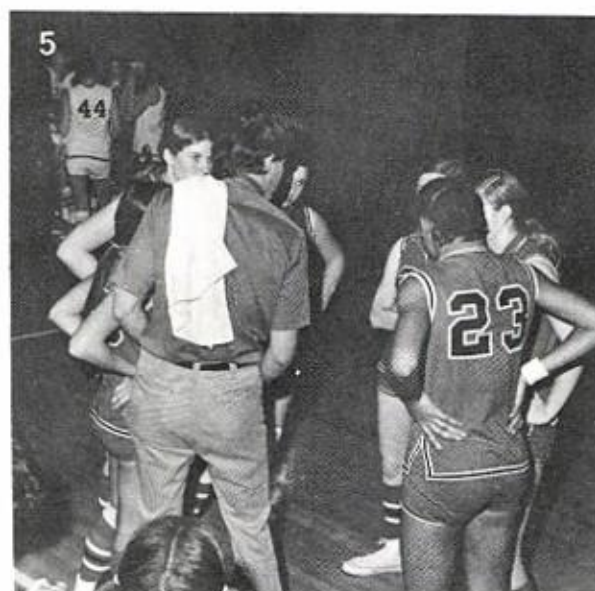

Shooting free throws, lay-ups, figure eight, and one-on-one were some of the drills that the girls had to go through during the 45-minute practice period.

Although they didn't win a game of the 15-game schedule, there will be 11 of them back next year.

Boone Elected

Being a Junior meant . . . getting released time (a free hour to loaf) and wearing flannel shirts and blue jeans to be in style.

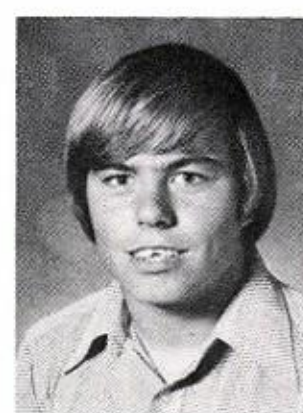

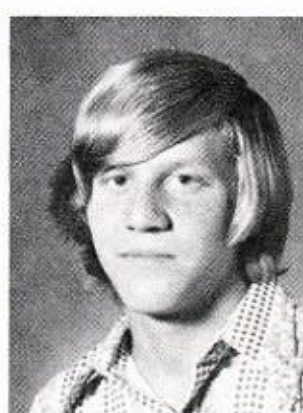

It meant studying in American literature and American history and taking PSAT, ACT and ITED tests. They worked on the Homecoming float and commuted to Vo-Tech.

They ordered class rings, worked on Hobo Day for the Junior-Senior banquet, and looked forward to their senior year.

IN MEMORIAM
Ben Jacobson

Ben Jacobson wanted life to be free, happy and unrestricted.

The sad part is that life is not structured that way. On the other hand maybe he enjoyed himself in a few years more so than some people do in a lifetime of 60 or 70 years. The secret in life is to find a suitable balance and to leave this world a better place than we found it. In this Ben succeeded. The influence of his life touched many people and our lives were made richer for it. Happy times should outweigh the gloom and realism of life. At the same time, most of us are not able to withdraw from the real world and pretend it does not exist.

Crews Crowned Homecoming Queen

Adjusting to high school was difficult for the sophomore class, but later in the year it became very exciting. It meant getting their drivers license, building a Homecoming float, and a wider selection of subjects. The sophomores chose Laurie Crews for their candidate for Homecoming queen candidate, and she was elected.

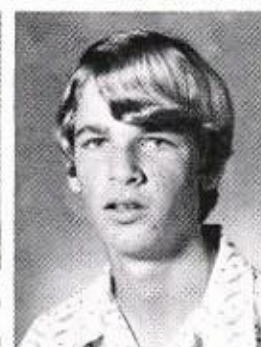

MAKING decisions for the sophomore class are: Greg Loman, president; Jack Moore, vice-president; Jaci James, secretary; and Jerry Foster, reporter.

So what if...

you fall down the stairs trying
to act cool.

Ballard's DQ moves just about
the time your mother decides
you don't have to eat at the
lunchroom anymore.

you forget your locker number.

discipline straightens you out
a little bit.

your books get thrown out a
second-story window.

you miss the bus after first
hour and have to walk to
school in the rain.

Keep on Truckin'...

junior high section

a time for spirit

Although the style of dress has changed to overalls, flannel shirts, workshirts, baggies, blue jeans, embroidered jean jackets, platforms, clogs, tennis shoes, and boots the kids are still the same.

"As a student body they have great school spirit", said Mrs. Virginia Woodworth.

Girls chase boys, boys chase girls, going steady is a big fad and every girl wants a drop. This year for the first time boys were allowed to ride the bus with Pep Club girls, and girls with sports boys to out-of-town events.

The intercom system didn't always carry announcements clearly and the few office girls were kept busy running up and down the colorful halls delivering messages to classes.

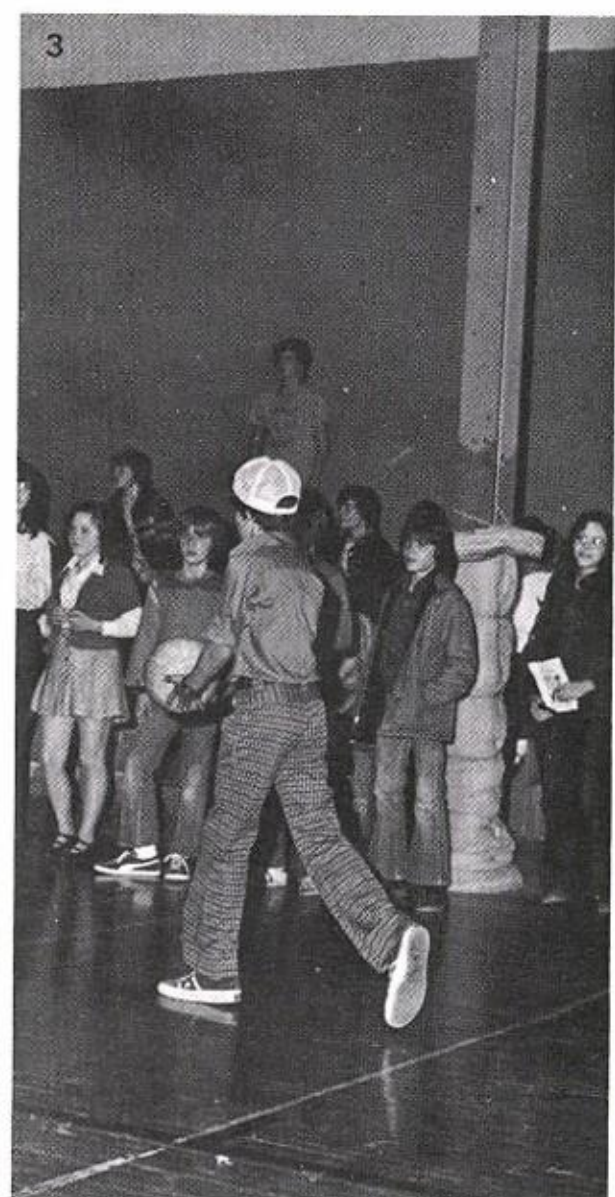

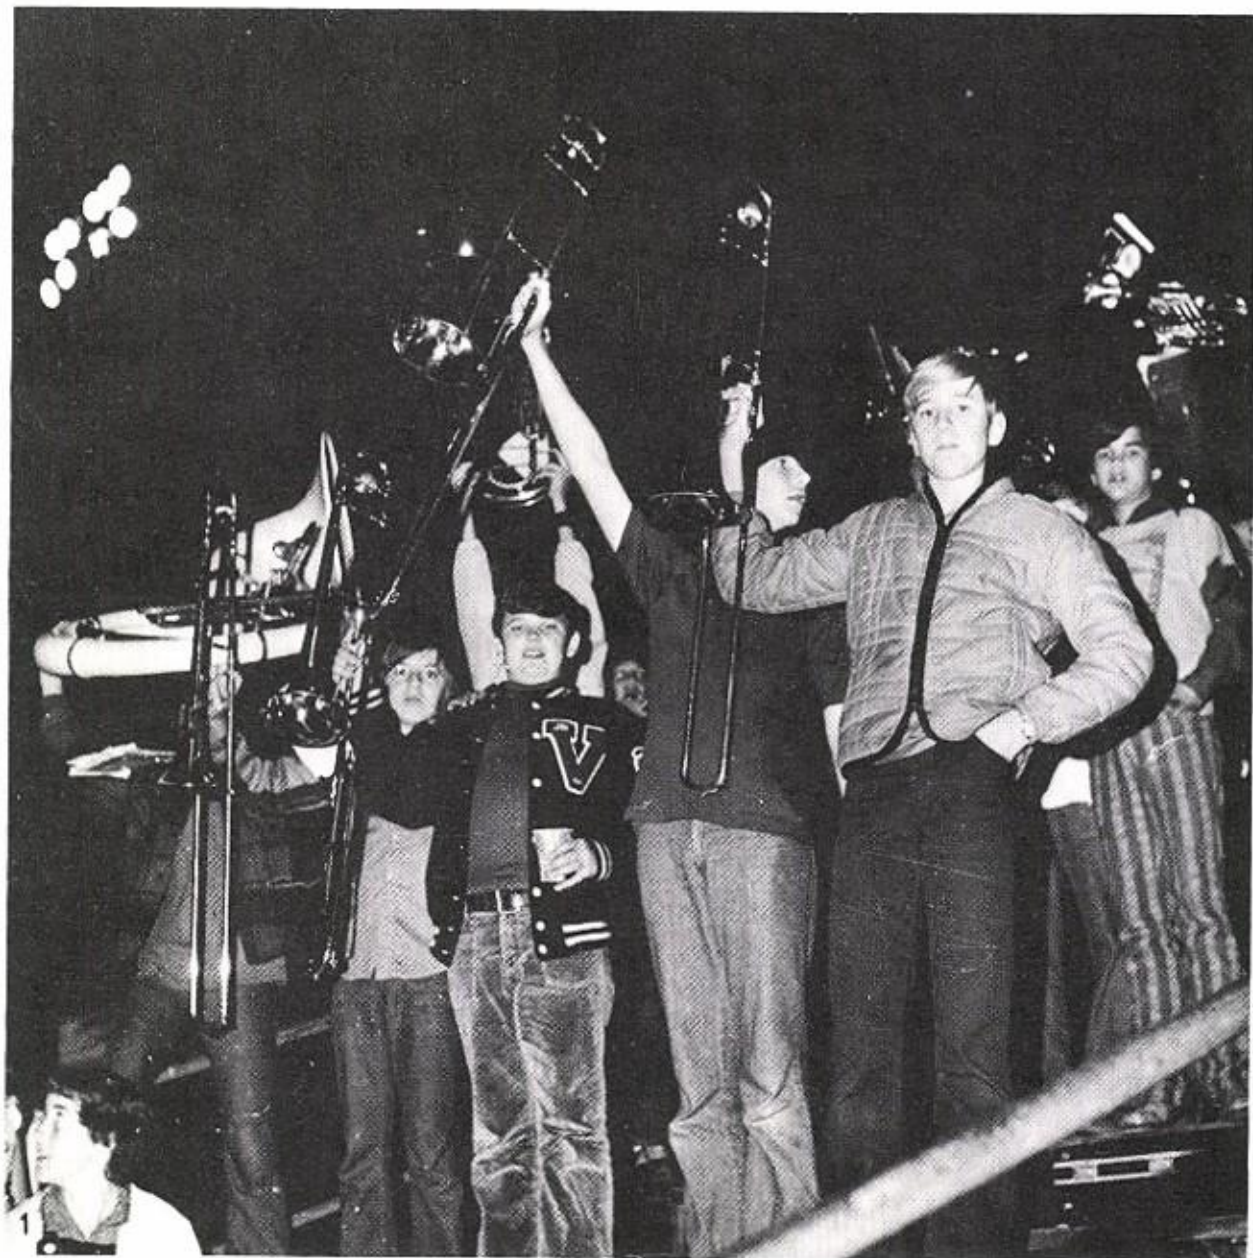

December 10, 1973 was Save Energy Day. Governor David Hall stated that the seventh graders were "Ambassadors of Good Will" for the State of Oklahoma. Henry Bellmon and Dewey Bartlett of the U.S. Senate, Carl Albert, Speaker of the House; The White House, and The Federal Energy Office recognized and commended the class for taking the responsibility of planning and sponsoring a successful Save Energy Day.

a time for listening

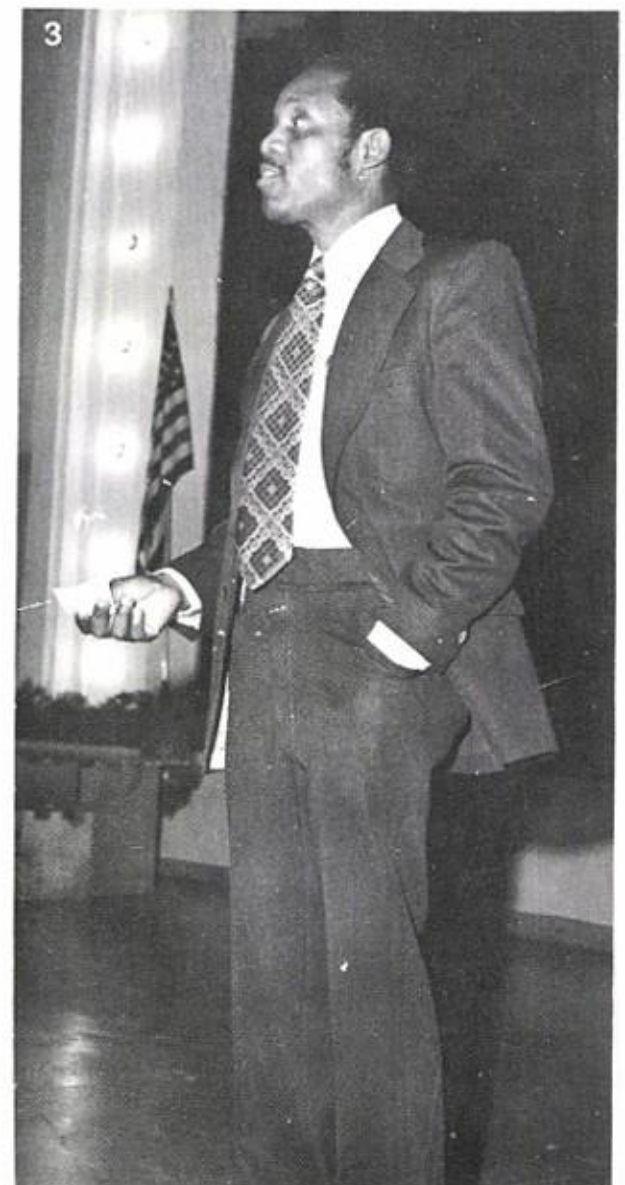

Sponsored by Mrs. Teresa Begley the Pep Club made many colorful posters for school halls to boost spirit and they attended games yelling cheers and supporting the team.

Cheerleaders attended camp at Oklahoma University to learn skills and to promote enthusiasm in the pep assemblies.

2 Agriculture students take a break after learning the techniques of welding.

3 Mr. Freeland Cudjoe, principal, addresses the student body after an assembly.

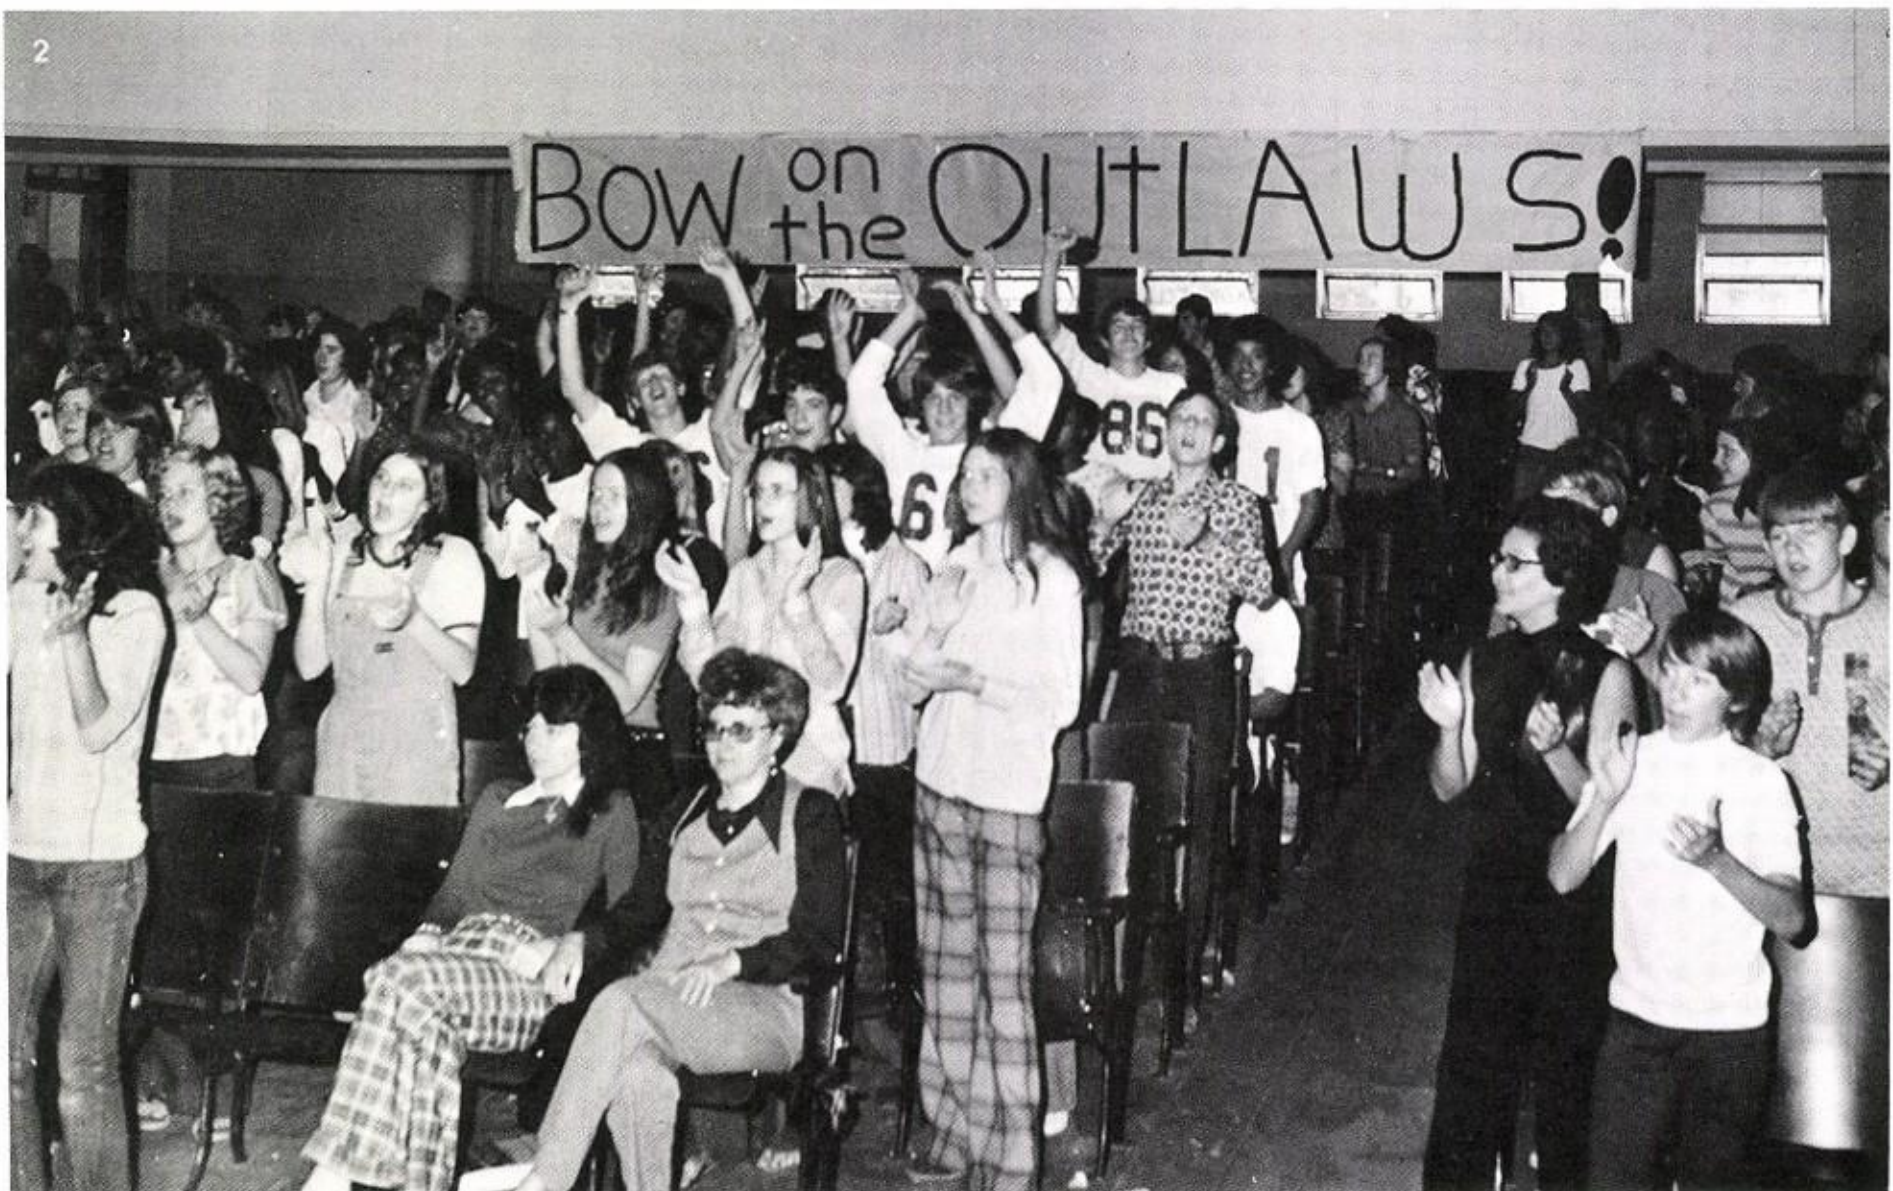

a time for fun

The enthusiastic pep assemblies resulted from the cooperation and spirit of the students. A pep stick was presented at each assembly for the class with the most enthusiasm, and the ninth grade was victorious most often. At a closing assembly the pep stick was finally awarded to the seventh grade.

1 Arts and crafts students display work done in the new class offered this year.

98 Girls Enjoy Athletic Party, All-Sports Banquet

"It has been an enthusiastic group and we have really grown", said Mrs. Teresa Begley after one year as Pep Club sponsor.

The 98 member Pep Club had their initiation in September. Pledges wore pigtails and their clothes inside-out as part of their pledge requirement.

This year, the girls had a party and were allowed to invite boys.

During the year they attended all local football games, wrestling matches, and made six out-of-town sports events.

In May they elected the 1974 officers and cheerleaders and had their one celebration, the All-Sports banquet and the crowning of the queen.

7th Grade Team Goes Undefeated For Season

Under Coach Harry Cheadle, the Panther Cubs showed desire and pride in their team. Although inconsistent, they compiled a 3-2-2 record and were second in their conference.

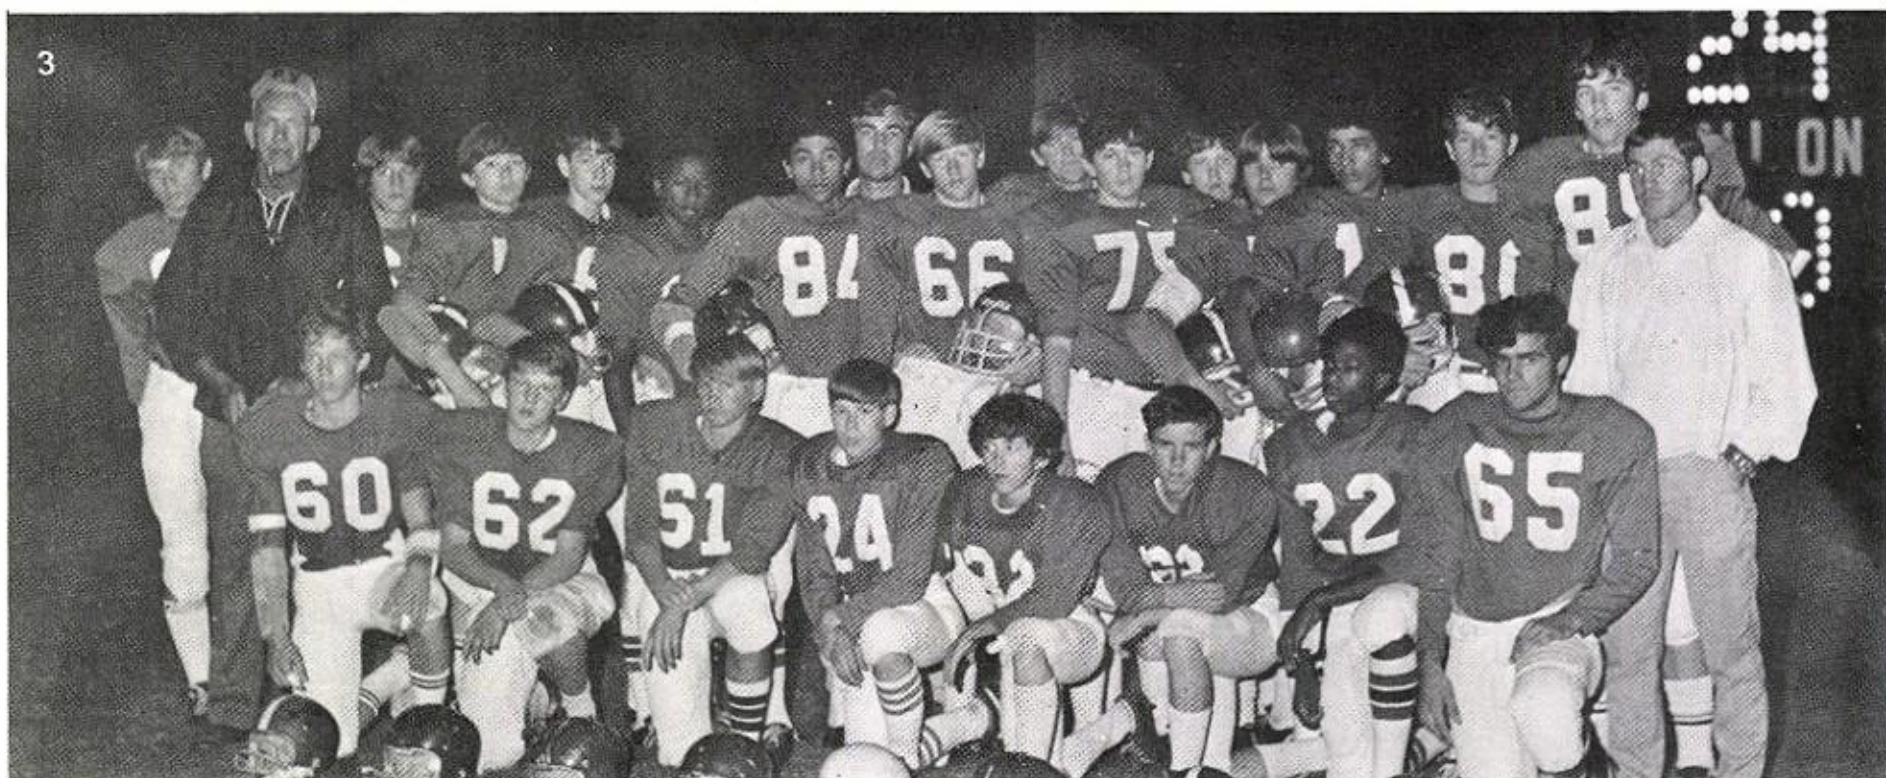

An offense and defense which complimented each other helped the eighth grade bounce back after an opening loss to Ardmore and depth helped them overcome injuries during the season.

Size was a key factor in the seventh grade success. Dominating in every game, they were the only football team in Pauls Valley undefeated.

The basketball team coached by Harry Cheadle had a 7-8 record for the season. They had better than average height as compared to previous years. Starting lineup for the Panthers consisted of Tony Bradley, Brett Smith, Cliff King, Terry Jackson, and Scott Hedges.

"The team was better than statistics show and they will be able to prove this in coming years,"

said Coach Cheadle.

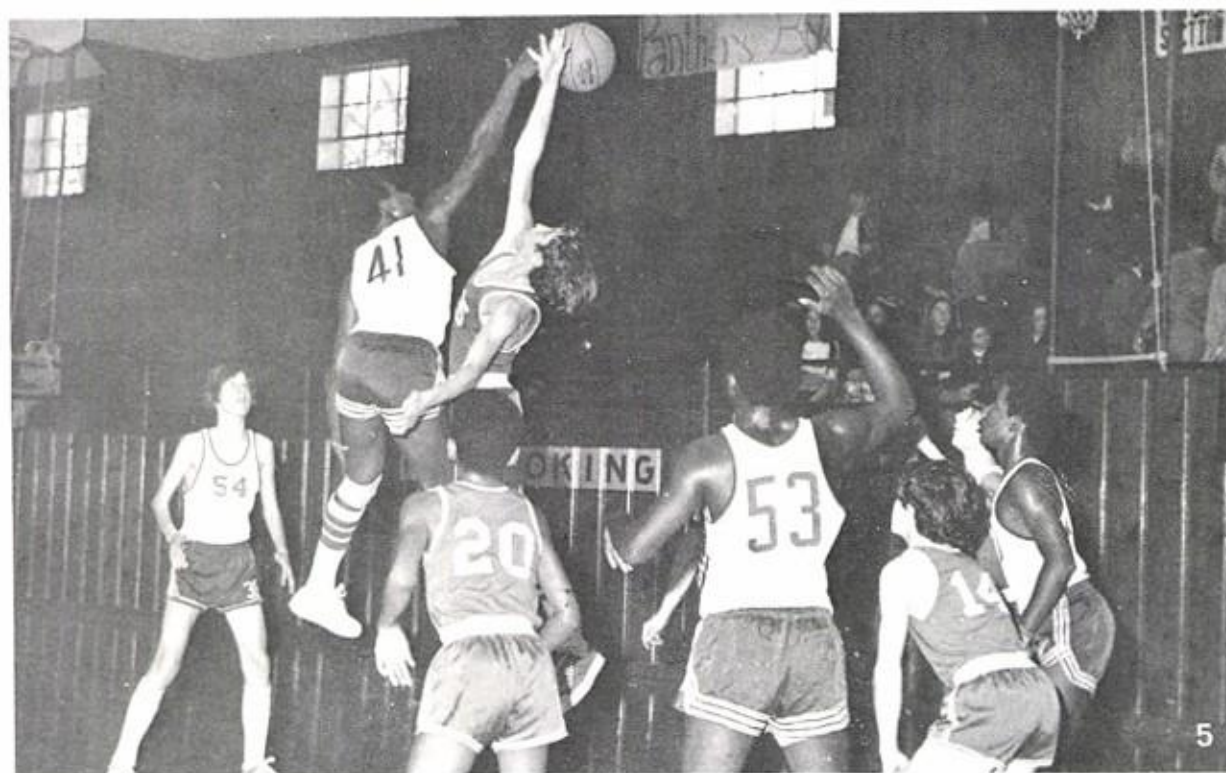

They placed third in both Garvin County and Wynnewood Tournaments. One of the most exciting games of the year was the day they beat Ada in two overtimes.

The eighth grade team: Tony McArthur, Steve Stevenson, Leotious Fields, L. C. Brown, and Kevin Avants, managed to get a 4-6 record.

The wind made it feel like sub-zero weather and the Cubs finished second only to Ada, a 3A school.

The Cubs won the Washita Valley Track Meet with Pauls Valley having several individual winners, and then won their own P.V. Invitational Track Meet.

The seventh and eighth graders won their meets which included the 7th and 8th grade Invitational and the 7th grade Washita Valley Conference.

YOU DON'T have to have anyone around to enjoy beating out the rhythm on the drums.

To the students of Pauls Valley Junior and Senior High, here is your history of 1973-74. The theme "Keep on Truckin'" was chosen to represent the attitude of the students. All youth wanted a chance to express their feelings and to do things their own way.

In junior high school spirit was high, but in high school the opposite was true, and membership dropped in clubs and organizations. Yet, Pauls Valley High never lost its personality.

So what if you didn't make the team, or you didn't get that scholarship you wanted, or you made a fool of yourself at that important assembly. These were some of the reasons why the students never gave up.

We're leaving Pauls Valley High, but we will always "Keep on Truckin'".
